Note: You must register/renew in your county of residence. If you have had a change of address, you will need to present proof of residency at your local licensing office. If you have moved within Shelby County (you must already be registered and have an account established in Shelby County) in the last 12 months, you can now update your address by emailing your information to tagrenewal@shelbyal.com. You must scan a copy of your proof of residence and send it along with the owners' names and corresponding vehicle label numbers. (If you have more than one vehicle in your name, include label numbers for all vehicles you want to upgrade). Any of the following documents are acceptable: Current utility bill (e.g. landline, gas or energy), deed, lease, or mortgage statement. The document must clearly show the current owner and that owner must match one of the vehicle owners. Once your address is updated, you will receive a confirmation email. If it's your renewal month, wait for the confirmation email before renewing. Due to deviations in municipal taxes there may be a change in your total. Due to Alabama's mandatory liability insurance law, a valid, state-issued driver's license, non-driver ID card, or national driver's license must be provided for each owner reflected in the vehicle title. If there are two owners and their names are joined by y, both owners must be present to sign the title application or one has to submit an original power of attorney. If there are two owners without a connection word, y is considered. If the names are joined by or, only one owner is needed to register the vehicle. Each owner reflected in the vehicle title must present a valid government-issued driver's license or non-conductive identification. As of January 1, 2013, Shelby County licensing officers must meet the verification requirements as described in the Alabama Compulsory Liability Insurance Act before registration/renewal can be processed. License Plate Information and Requirements (State of Alabama) This information is only a summary of title and registration procedures and is not intended to be a complete explanation of Law 200-565. We are pleased to announce a new feature on the Shelby County Clerk's website. You can now sign up for email renewal notifications. Motor vehicle registrations expire on the last day of the designated renewal month. For example, someone whose last name begins with the letter F, G, or N is required to register their vehicle in April, and the previous registration expires on April 30. Leased, commercial and fleet vehicles are subject to renewal in October and November and registrations for this type of vehicle expire on November 30. Registered vehicles International Registration Plan (IRP) are allocated months of renewal registration by the department.
