## Human characteristics of new york

Throughout persona 4 Golden, Yosuke Hanamura is your best friend. He was the first friend you actually made, your first social link activated, and a constant weakness throughout your story. Yosuke brings the magician Arcana, and the better you know him, the more skills he will have at his disposal in battle. You will also be able to integrate and forge magician persona stronger than your ranking is higher than with Yosuke.On this page, we detail how to quickly rate your S-Link with Yosuke to a maximum ranking of 10. If you'd like help with this for other characters, check out our Persona 4 Golden S-Link guide. Yosuke Hanamura S-Link Guide - MagicianBelow we have listed all the social link ratings and conversation choices for Yosuke S-Link in Persona 4 Gold. We presented it in such a spoiler-free way as we could. The way your S-Link rating works in P4G is to have a hidden experience score index for each social link in the game. When you go out with the characters, you will gain extra points on that value. In some cases, the conversation options present you an option to earn bonus points - and that's what this tutorial is about. Any conversation choices not listed in this tutorial don't affect your ratings - so you can choose whatever you want for those people. The numbers next to each of the answers are listed describing how many points are added to that invisible s-link experience index for Yosuke; we've listed the optimal choice for every conversation choice that changes points. The numbers shown are an increase when you hang out with Yosuke when you have a Persona of his Arcana - Magician - in your current stock. The values would be a little less if you didn't have Magician Persona with you at the time. Yosuke Hanamura is usually available for outings on Mondays, Thursdays, Fridays, Saturdays and Sundays. Yosuke can be found at school, on the 2Fth floor of the Classroom Building, on weeknies. On Sundays and holidays, you can meet him at Junes.Rank 1: When persona 4 Golden's story begins, you'll meet Yosuke and get to know him. Social links began on April 16. Ad. But, why don't you have a brother punch?? Yosuke studied Evade Electric after this rating. You will receive buddy's bandage, allowing you to integrate Susano-o and Mada. Photo: Atlus A modder is giving Persona fans what we've always wanted: a mod of Yosuke's 10th socially linked event in Persona 4 Golden. For those who do not know, unsymed audio has been dug up from the files of Persona 4 many moons before. The sound, in which Yosuke confesses his love for the protagonist, has haunted fans for years and we spent a lot of time mourning the loss of romantic Yosuke. As the protagonist's right-hand man, he has a social connection, although he is never romantically involved in the game, despite the fact that these voice lines are hidden in files. Now that Persona 4 Golden is on Steam, the ports for mods have expanded. Another modder, MadMax1960, is adding Yosuke's deleted romantic social links back to the game. It's only 10% complete since writing this post, and although the demo doesn't show Yosuke using abandoned voice lines, it seems the modder is planning to add them. The clip that MadMax1960 uploaded to show the status of the mod is a bit unpolished, but it will give you a general idea of what to expect. No wish date When the mod will be made, but thank you, MadMax1960, for doing the lord's work. Vox Media has an affiliate partnership. If you haven't heard, Persona 4 Golden is currently using Steam, and it not only puts the series into your PC, it also puts the game on a device that can be easily adjusted, thus allowing modders to combine some of the removed content that still exists in the game's files. This includes gay romantic social links for Yosuke, which already exists in the game's files, but is never accessible through the game as it exists on PlayStation 2 or PlayStation Vita. The mod is still a work in progress, but it uses the lines of dialogue and dialogue that exist in the game's files to make Yosuke a lovely social link. This is notable for a few reasons, because it not only adds another romantic option to the game, but it is also the only gay romance storyline in a series that has not included when it comes to general intoxication. This is a clip from the mod, which shows Yosuke's confessional dialogue, but given that the audio files used are repetitive, you may find that the entire modding process is far from complete. You might like it too: Yosuke romance is a sore point for some queer Persona fans, as it's not just one of the only times modern persona appears to me taking steps towards inclusiveness, but it has finally been removed from a game that has had problematic storylines that intersection with sexual and identity issues Gender has felt like a nail in a particular coffin about how ready the series is to engage with these themes. Things also didn't improve for the series, with Persona 5 doubling up on gay panic scenes for no reason but to use them as a comic relief effort. Persona 5 Royal, the enhanced version of the game coming out earlier this year in the west, has received some significant changes to dialogue in its English localization, but even those who are not enough to make the game cover for gay men in addition to not making them a predatory stereotype. Now that the Persona series is moving to PC, maybe Persona 5 Royal will find its way to Steam in the future and people can mod in a Ryuji romance, right? Maybe even an Akechi or a Yusuke, too? It will be an easy update, considering each of their stories is flowing out with the romantic tension between them and the Joker protagonist, but they are all a bunch of clueless buffalo. Perhaps one day we will see Persona 3 on Steam and maybe get a romance of Akihiko, whether it's just a straight port or a much-requested re-version. For more on Persona, check out our review podcast on Persona 5 Royal, as well as our numerous tutorials RPG more than 100 hours. Need some guidance on how to enhance your Baton Pass ranking? The current release plan is for versions with additional scene editing (outside s-link), one with only 10 rankings, one with everything I've edited, just the s link and a few others. I'll also give files to edit yourself and guide you to the tools you need to edit/repack them so you can tweak the tool to your preferences. Not everything above is still up to date (changing the camping scene is optional for example). Work on reimplementing cut Yosuke Romance, including a wip playing rated 10 edits for Yosuke as proof of concept. Also, in youtube videos there is a repetitive voiceline, which is now fixed. Update 11/30: Right now the main link is completed, I'm working to make it compatible with other mods, add some small details that will be noticed on full playthroughs, and wait to see if custom scenes become entirely possible on P4G. Thank you from GameBanana Wikis/Rules GameBanana as title It's online service provider millennium digital copyright law, 17 U.C. Section 512 (DMCA). GameBanana is an online service provider under Title II of the Digital Millennium Copyright Act, 17 U.C. Section 512 (DMCA). GameBanana respects the legal rights of copyright owners and has adopted an effective notice and removal process as required by the DMCA and described here. This policy is to instruct copyright owners to use that process and also to instruct Users to restore access to content that is disabled in error. 1. Notify DMCA copyrighted work owners of a legal process by which you can request any online service provider to disable access to content where your copyrighted work is appearing without your permission. There are two sections to the legal proceedings: (1) Write an appropriate DMCA notice, and (2) Send the appropriate DMCA notice to GameBanana's Specified Agent. 1.1. How to write an appropriate DMCA noticeA appropriate DMCA notice will notify GameBanana of specific events in a document signed under penalty of perjury. We call this the appropriate DMCA Notice. To write the appropriate DMCA notice, please provide the following information: Identify yourself as: A) The owner of the copyrighted work(s) or B) An authorized person acting on behalf of the owner of the exclusive right allegedly violated. Specify your contact information, including your REAL NAME, street address, phone number, and email address. Identify copyrighted works that you believe are being violated, or if a large number of works appear, a representative list of the work. Identify material that you think violates your copyrighted work that you're asking GameBanana to disable access to on the World Wide Web. Locate the document on the World Wide Web by providing information reasonable enough to allow GameBanana to locate the document. It is stated that you have a good faith belief that the use of the material in

a complained-for way is not permitted by the copyright owner, agent or law. Say that the information in the notice is correct, under the penalty of perjury. Sign the notice with a physical signature or digital signature. 1.2. Send the appropriate DMCA Notice to the Specified Agent In order to perform your DMCA rights, you must send your appropriate DMCA Notice to the following agent specified by GameBanana (Specified Agent.) Contact information for GameBanana's Designated Agent is: Thomas Pittlik tom@machinefloor.com GameBanana Co. 2313 E Letterly St. Philadelphia, PA 19125GameBanana's Designated Agent is also listed in DMCA Designated Agent Directory.1.3. What we do when we receive an appropriate DMCA noticeGameBanana will follow the procedure provided in the DMCA, which stipulates a notice and removal procedure, depending on the user's right to send a message objecting to the legitimate use statement of the disabled works. 1.4. Procedure for notification and take-downIt is expected that all users of any part of the GameBanana system will comply with applicable copyright law. However, if GameBanana is notified of a claim, or receives the truth and circumstances from which the violation is clearly violated, gamebanana will respond quickly by or disable access to material that is believed to be a violation or the subject of a breach. GameBanana will comply with the appropriate DMCA regulations in case the specified agent receives a notice of objection. 2. Notify GameBanana Service Users under the Terms of Service Agreement that you have agreed upon your permission to become a System User, you may only be required to use legally acquired creative works as content and your content(s) may be disabled upon receiving notice that the offending material is appearing in it. GameBanana also respects the legitimate interest of users in legally using media content, is allowed to give feedback on claims of violations, and promptly restore access to content that has been disabled due to a copyright claim. Your System Usage Privileges may also be suspended. You can object to the DMCA notification by sending a Counter notification as described below. 2.1. Write and send a counter notificationIf access to your submission(s) is disabled due to the operation of the GameBanana notification and the take-down process described above and you believe that the take-down is incorrect, you must submit a Counter notification. 2.2. Write a counter notification To write an appropriate counter notification, please provide the following information: Specify that access to your site has been disabled due to the operation of the notice and the take-down process. Identify the document that was deleted and specify its URL before deleting it. State, under perjury penalty: A) Your name, address and phone number, B) You have a good faith belief that the material was deleted or disabled by mistake or misi determination of the document, and C) You agree with the jurisdiction of the Federal District Court for the judicial district where the address is located. 2.3. Submit a counter notification In order to implement your DMCA rights, you must send your Objection notice to the Agent specified for GameBanana. Contact information for GameBanana's Appointed Agent is: Thomas Pittlik tom@machinefloor.com GameBanana Co 2313 E Letterly St Philadelphia, PA 19125GameBanana's Designated Agent is also listed in DMCA Designated Agent Directory.Repeat Infringers GameBanana may, at its decision, use all appropriate means to terminate the user's access to the system or their network as repeat violators. Accommodation of standard technical measures It is GameBanana's policy to adapt and not interfere with standard technical measures that it determines to be reasonable in these cases, i.e. technical measures used by copyright owners to identify or protect copyrighted works.
