It was released on May 20, 2016 via Republic Records. Background On April 10, 2016, the Dangerous Woman track list was updated on iTunes to show five explicit songs on the album. [1] Even if a song does not contain profane language (contains only the word hell), it can still be described as explicit if it contains references to sexual behavior. [2] When Grande unveiled the tracklist for Dangerous Woman via Instagram, this song was called Thinking Bout You instead of Thinking Bout You. [3] Some fans wanted Thinking Bout You to be performed under the moon at the Sweetener World Tour in 2019. However, Ariana confirmed on Twitter that she would not do it the song is too sad. I have 'Bout you yes, I've been missing you where the hell are you, oh, when I need you? I could still hear your voice I ain't got no choice, cause I'm here all alone I know I can't wait Until you get home, I can think of her. I've been thinking about you all the time. Where have you been? When I needed you so much? I can still hear them. There is no real choice because I am here alone. I know I can't wait for her to go home more Oh, I don't have you here with me, but at least I have a memory that I tried to make it through the night, but I can't control my mind without it being by my side. But at least I have your memories. I try to get through the night. I can't really control my mind, I just think' bout you'm thinking' bout you, I'm thinking you, I'm thinking'bout you, I'm just thinking' bout you I'm thinking you, I'm thinking you, I'm thinking you're just thinking back you, but I miss you, but I miss you, I'm thinking about you, yes, thoughts these in my head Ain't way to forget got me losing my breath got me the way that you did my way rolling me love me so good I wish you hurry up and come back with thoughts in my head that i will never forget. It's hard to breathe. No one gets my heart out like you. You left me with my eyes on my back. You love me so much. I want you to hurry to me, I don't have you here with me, but at least I have a memory that I tried to make it through the night, but I can't control my mind without it being by my side. But at least I have your memories. I try to get through the night. nur denken' Bout du bin ich denke' bout sie, ich denke' bout sie, Baby ich denke nur' bout you I'm a thinking' bout you, bout you, I'm thinking' bout you, I'm thinking' bout you, I'm a 'bout' you I thinking' you'm just thinking about you, but I miss you, I don't want to be here, no one else so hurry, I need some , some need, need some help and I'll be patient, patiently Cause I don't have you here, here, here with me, at least I have a memory I love. Ich brauche niemanden mehr. Beeil dich. Weil ich deine Hilfe dringend brauche, und ich werde geduldig auf dich warten, denn selbst wenn ich dich nicht auf meiner Seite habe, habe ich dich in meinem Gedächtnis. Ich denke' bout du denkst nur' bout you'm think' bout you, I'm thinking'bout you, I'm just thinking' bout you'm just thinking' bout you'm think' bout you, I'm think' you'm just thinking about you, I'm thinking about you, but I miss you, i'm thinking about you, i'm thinking about you?
