Registration for the autumn/winter youth hockey leagues begins in mid-August. Introduction to Hockey Interested in Hockey Sport? Eau Claire Parks and Recreation offers basic introductory programs that are meant to feed into programs offered by ECYH. This is the perfect opportunity for young players with limited skating experience to enter hockey through indoor ice-guided play. Participants will be divided into teams every night and will be able to play. Instructors will give instructions as the sessions progress. Participants will need hockey, pole and helmet skates. Volunteers are needed to help facilitate this program; hockey experience is preferable, but it is not necessary. We only have sessions available during the summer. See the Summer Prime Times Catalog for more information.
