Article #202762Our price: \$399.99New year savings – 15% off all over the place! Promotional code: EXTRA15Item is exhausted and no longer availableThe Wi-Fi wireless pocket projector allows you to project any Internet content directly onto a wall, up to 60 wide! Simply sign in to any Wi-Fi network (using the virtual keyboard projected on the wall) and show your favorite sites, blogs and videos in 16:9, 854x480p HD. It features an excellent 100-lumen LED valued for 20,000 hours of use, two built-in speakers and a fingertip mousepad for easy navigation. It also displays USB drive content, Micro SD card or a variety of external sources, including iPhones and iPads (running iOS 7.0 or later), Galaxies and other Android devices (running 4.2 or later), Macs, PCs, video game consoles, DVD players, digital cameras and video cameras. Includes Micro USB connection cable. See more details A projector is an important investment for any business, so it is crucial to get most of the features for the price. With many connectivity and portability options, the budget-friendly Fangor projector has native 1080p HD resolution and LCD projection technology for large-looking video and photo presentations. It also has a contrast ratio of 5,000:1 for improved sharpness and details so that your slideshows, photos and videos never look muddy or blurry. The lamp provides up to 5,500 lumens of brightness to make its presentations easy to see, even in the brightest conference rooms. The projector is wi-fi enabled and has Bluetooth connectivity for a clean and simple configuration. In addition to compatibility with iOS and Android, the portable projector features HDMI, AV and VGA cable connections, as well as an SD card slot, allowing you to connect with any computer or mobile device and even play media directly from a memory card. The built-in stereo speakers give you a clean, clear sound. It also comes packaged with a transport box for easy journeys, a tripod for quick configuration, and both an HDMI and AV cable. Make a selection of the best presentation clickers to help your meetings and presentations get out smoothly. ©2020 Walmart Stores, Inc.
