Van der Linden taking over from Matthijs van Nieuwkerk, who presented her talk show De Wereld Draait Door for the very last time last Friday. After 15 years, Matthijs retired from the talk show. In M, Margriet discusses today's news and receives guests from current affairs, politics, sports, entertainment and culture. Margriet will no doubt be eager to get started, because due to the current events surrounding the coronavirus, she will undoubtedly reach a large audience. After the end of De Wereld Draait Door, M will alternate just before NPO 1 with a new talk show. It is not yet known who Van der Linden will alternate the evening. Several broadcasters are working on a new talk show that must be shown together with M. Page 121091 x set | 0 comments Saturday night starts the new show Sanne Wallis de Show.
