Now that we've shared everything there is to know about Nick, let's share some information about his wife, Dominique Sachse. Dominique Sachse was born on June 11 in england, daughter of a scott. May 27th, Updated on 27 May, published on 07 March, Dominique Sachse is an American journalist KPRC news channel. She is a married woman and is with her and her husband Nick Florescu. Dominique Sachse is a journalist who has worked hard for several years to raise awareness and become the voice of all people through . Nick has made a name for himself in recent years, but in fact as the husband of popular journalist and YouTube star Dominique Stasche. However, he is also a full-fledged success, having been a leading businessman for more than 20 years, and the central figure of The Centrade USA Inc. since its inception in 1991. So, do you want to know more about Nick Florescu, from his childhood days to the most recent career efforts and personal life as well? If so, then stay with us for a while as we bring you closer to one of the most renowned businessmen, Nick Florescu. Nick Florescu Wiki: Age, Early Life, Parents, and Education Born Nicholas Alexander Florescu on October 31, 1953 in the United States of Romanian descent, and since establishing himself as a successful businessman, he has contributed to his country of origin through numerous philanthropic activities. After graduating from high school, Nick enrolled at Boston College, where he earned a degree in marketing in 1974. Nick began his career in the oil energy industry as a trader and broker, and worked in this role for the next 18 years before moving on to marketing. Nick founded his first company in 1991. Marketing-focused, he has slowly established himself in the digital world and has since worked to expand his business, which provides advertising, online marketing, tv/cable advertising and film and television financing services. Nick, headquartered in Houston, Texas, has also established a center in Romania, which has since expanded its range of operations to neighbouring countries, and has been very successful, allowing it to launch other projects. He was managing director of an outdoor billboard company in Romania, and used his skills to develop the first national network of billboards, as general manager for seven years, between 1995 and 2002, when it was sold to NewsCorp. Nick Florescu rises to prominence His next project was Kubis Interactive, a digital marketing company, also headquartered in Houston, which he founded in 2011. Since then, he has also opened an office in Romania and has continued to improve and expand his business. He has been CEO since its inception, which has also contributed to his wealth. However, it was not his career that put him forward, but his marriage to the famous journalist Dominique Sachse. When it became official, Nick's name began to appear in the more often, and everyone wanted to know who he is and what he does to live. Nick is a successful businessman. Nick Florescu Net Worth Since the beginning of his career, Nick has created a number of projects which have increased its wealth to a large extent. So, have you ever wondered how rich Nick Florescu is in early 2019? According to authoritative sources, Nick Florescu's net worth is close to \$10 million, which is pretty impressive, isn't it? Undoubtedly, his net worth will become even higher in the years to come, assuming he continues his career successfully. Nick Florescu Personal Life, First Wife, Divorce, Marriage, Children Nick has not been very open when it comes to sharing details about his personal life, but we have managed to uncover some interesting facts about him. Before meeting Dominique, he was already divorced and father. The name of his first wife is not known, nor how long their marriage lasted, however, we know that he has five children with his ex-wife, Ava, Bella, Elle, Nicky, and Alex. They are all great, with Alex being the oldest and in his late twenties. Nick and Dominique met in 2012 at the Houston Community College launch party in January 2012. Only three months passed and the two were already married; The wedding ceremony took place on May 22, 2012 at the becca Cason and John Thrash Memorial House in Texas. The couple decided not to have children, partly because of age, but also since Nick is a father of five children, and Dominique also has a son from his previous marriage. Philanthropic activities Nick has given back to the community through his many philanthropic activities; in 2009, he founded the Florescu Foundation, through which he helps underprivileged children in Romania. He recently launched a fundraiser to build the new host family, Santa Macrina in Romania, which is run and operated by Father Gabriel, a Romanian Orthodox priest, and social worker. Now that we've shared everything there is to know about Nick, let's share some information about his wife, Dominique Sachse. Dominique Sachse was born on June 11, 1968 in London, England, the daughter of a German father and a Ukrainian mother. She and her family moved to Houston, Texas, where she attended Memorial High School, matriculating in 1986, after which she enrolled at the University of Houston, earning a bachelor's degree in journalism. Dominique now works for KPRC-TV Channel 2, which she joined in 1994, but before that she worked for several stations, including as a traffic controller for Traffic Metro Control, and was also a disc jockey for KHMX Mix 96.5i. She also launched her own YouTube channel on which she posts videos on makeup, giving tips on daily makeup preferences, hairstyles, and other beauty-related information. It counts 800,000 subscribers. Dominique has a son named Styles Credeur from her previous marriage, but just like Nick, she hasn't revealed her ex's name. Its net worth is estimated at \$5.5 million in early 2019. While cleaning the pool with the kids, he tripped and his face planted on the edge of the pool, cutting himself pretty badly and breaking three fingers on his dominant hand, but not the middle. Sachse posted months ago on Facebook. In his recent YouTube video on Gift Giving Guide For Your Guy!, Sachse and Florescu give us the positive recovery update. Well, I feel good, I mean, I was so lucky that it wasn't worse and really the accident could have been horrible, Florescu said in the video. I'm recovering and everything's going to be fine. And I think of people who have much more serious things to worry about. All my wounds are repairable, I probably have a few more wrinkles to add to my age. Everyone says he looks like [actor] Dermot Mulroney and I think it's just added to her, so it's all good, Sachse said. Immediately after the accident, Sachse released a video about Life's Hiccups and How To Deal that I incorporated below. The couple has just celebrated their seventh wedding anniversary.
