## E-mrs conference 2020

After careful consideration of the continued spread of COVID-19, the Organizing Committee decided not to conduct the E-MRS 2020 Autumn Meeting in New Poland, Poland. In the coming days, E-MRS will contact: - all conference and symposium organizers; – all exhibitors; – and those who have submitted abstracts on future e-MRS events. Another announcement will be made in due course. E-MRS is always concerned about the health and wellbeing of participants in conferences and other events. We all regret this current situation. You can see a list of supported browsers in our Help Center. Help Center The next e-MRS Meeting and Exhibition will be held online from May 31 to June 4, 2021. more info Jump to one of our meetings : E-MRS now has more than 4,000 members of industry, government, academy and research laboratories, who meet regularly to discuss the latest technological developments of functional materials. E-MRS differs from many professional societies in a single discipline by encouraging scientists, engineers and research directors to exchange information about an interdisciplinary platform, and recognizing professional and technical excellence by promoting awards for achievement from the student to the senior scientific level. As a member body of the International Union of Materials Research Societies (IUMRS), E-MRS enjoys and benefits from very close relationships with other material research organizations in other parts of Europe and around the world. read more Interview with E-MRS President - Peter J. Wellmann E-MRS 2019 Fall Meeting, University of Technology, 16-19 September 2019View album E-MRS IUMRS ICAM 2019 Spring Meeting, Nice Acropolis, May 27-31, 2019View albumView all REGISTRATION FEES Each attendee (including presidents, authors, authors, invited speakers, members of the Scientific Committee...) must fill in and submit an E-MRS registration form. Registration must be submitted before 17:00 (EST) on 8 April 2020 in order to qualify for pre-enrolment fees. REGISTRATION FEES 1. FULL RATE including a procedure, breaks, lunches, E-MRS members for a year. BEFORE 08 APRIL 2020 580 Euros net AFTER 08 APRIL 2020 710 Euros net 2. STUDENT FEE including breaks, lunches. Students must give evidence of their enrolment before 08 April 2020 320 euros net from 08 April 2020 2020 Euro net E-MRS is a non-profit organization and is not subject to VAT. PAYMENT OF FEES The payment must be made in euros for the total net amount owed. The following possibilities are offered: - Credit card (Carte Bleue, Visa, Eurocard/ Mastercard) (preferred mode) - Bank transfer: Bank: BANQUE POPULAIRE ALSACE LORRAINE CHAMPAGNEAddress: CRONENBOURG MITTELAccount: ASS EMRS CONFERENCE SIBAN: FR76 1470 7500 1111 1913 8543 942BIC: CCBPFRPPMTZ - Your company's purchase order is also accepted. E-MRS is a non-profit organization and is not subject to SIRET VAT n°: 382 390 292 00011 APE Code: 913E CANCELLATION In case of cancellation of the E-MRS conference, congress attendees will have the right to claim reimbursement of the registration fee. Under no circumstances will the Organization of Congress be liable for reimbursement of any other costs, such as travel expenses, accommodation costs, living expenses, etc. These costs are the sole responsibility of those attending the Conference. To receive the refund, cancellation requests must be in writing and sent before May 4, which will cause a processing fee of €25. No refunds will be issued to post-marked applications from 4 May. In recent years, there has been a move away from long disclaimers for acts of God, terrorism, strikes, volcanic eruption, etc., so these are no longer included. NOTE: Most of the symposiums at the spring 2020 meeting have been moved to the Spring 2021 Meeting: (1) After the agreement of the authors, the accepted papers of the spring 2020 meeting will be rescheduled for presentation during the next virtual meeting of spring 2021. Optionally, authors can implement the advances achieved in the last year. All the presenters of Primavera 2020 will contact soon about their participation in 2021. (2) In addition, all attendees interested in submitting new works are encouraged. It is of great pleasure that we announce the Spring 2021 Meeting of the European Materials Research Society (E-MRS) to be held as a VIRTUAL Conference from May 31 to June 4, 2021. Faced with and still struggling with the fairly exceptional pandemic of 2020 and 2021, E-MRS has evaluated several options on how to serve the research community of materials as a platform for scientific exchange and dissemination of the most recent results of the new year 2021. The concept of rebooting the culture of E-MRS's scientific meeting aims to go beyond a simple interim solution of having a virtual lecture. Covid-19-related crises are aimed at being used as a starting point to further develop the material research exchange platform to attend to needs of researchers and engineers. In line with previous conferences, the Spring 2021 Meeting is expected to be the largest in Europe in Europe science and materials technology. In fact, the e-MRS Spring Meeting is an important conference with more than 2500 attendees from all over the world each year. The VIRTUAL Spring Meeting 2021 will consist of parallel symposia with invited speakers, oral presentations and posters, assorted by plenary sessions and a series of workshops and training courses. As a novelty of posters, the brief oral presentation will give each attendee the opportunity to highlight the main results. The high quality scientific program will address different topics organized in 19 symposiums organized in 4 clusters covering the fields of energy materials, nanomaterials and advanced characterization, biomaterials and soft materials, as well as materials for electronics, magnetics and photonics. In parallel to the technical sessions, international exhibitors will have the opportunity to promote their equipment, systems, products, software, publications and services during the meeting. The focal point of the Conference will be the plenary sessions that will consist of the high-level presentation by Prof. Ben Feringa of the University of Groningen, Netherlands - Nobel Prize in Chemistry (2016); Prof. André Geim of the University of Manchester, United Kingdom - Nobel Prize in Physics (2010) and Prof. Ulrike Diebold of TU Vienna (Austria). Please note that the deadline for submission of abstracts is 28 January 2021 (extended deadline)! It will be our great pleasure to welcome you all to the virtual spring meeting e-MRS 2021 next May / June online. Take care of yourself and stay healthy, your Peter Wellmann. (President of E-MRS) We look forward to your participation to create an outstanding spring 2021 E-MRS meeting! After careful consideration of the continued spread of COVID-19, the Organizing Committee decided not to carry out the E-MRS Spring Spring 2020 in Strasbourg, France. E-MRS is always concerned about the health and wellbeing of participants in conferences and other events. We all regret this current situation.
