Collect 90 colorful stickers after completing the task If you like Papa Sushiria to go Android, you can refer to more games managing a special restaurant also from The Philippines Studios like Papa Cheeseria to go!, Papa Papa's Cuperia to go!, Papa Dontoria to go!, Wingeria to go!.... Papa Sushiria To Go is a simulation game created by Flipline Studios. Title 13th in the Papa Louie restaurant management series, this game gives you a hands-on experience of who guards the kitchen of the famous restaurant. All your favorite features from previous installments are back at this title, redesigned and reimagined to fit a smaller screen. There will also be all-new control and gameplay features, as well as lots of components and items to unlock. This game will challenge you for several tasks as you cook and serve customers with unique orders. Serving sushi and teacooking game with Papa Louie leaves you in charge of the kitchen in the restaurant as he goes on a journey to find a new statue to replace the broken lucky cat statue. You will need to create sushi using an all-in-one square sushi cooker. Not only that, but you will also need to make bubble tea that will serve along with sushi. This task is not a small feat, as customers will have a unique arrangement. You need to follow the system list to get a high score for each order. Sakura Bay - Restaurant Location - Celebrates Holidays all year round. You will have to unlock new seasonal ingredients as you create festive sushi and tea. Not only that, but you will also collect posters by completing various tasks and achievements. Each customer has a set of three favorite stickers and earning all three will reward you with a brand new outfit to give to your customers. Unique commands from your customers will serve as special recipes you need to collect while playing the game. You can play as Matt or Clover - characters from previous games - or create your own character. You can even customize your look with a variety of holiday clothes. There are unique color combinations available, allowing you to show off your style. On top of your avatar, you can also decorate the restaurant with furniture and decorations that suit the holidays you celebrate. Fun game, but a little repetitivewith papa sushiria go, you can play a restaurant game in an easier environment to use. As noted, the game is designed for touchscreens, so it will be easier to create your sushi. The game moves quite slower than other similar games, such as Dinner Dash and Cooking Frenzy, and the gameplay is a little repetitive. But, overall, it is a fun and challenging sim game to play.
