Flip through the directory online or download a PDF! Page 2 This interactive PDF collection is a great new way to measure students' learning and understanding of several selected songs in Music K-8. In each Diving Deeper PDF there are several questions related to the song magazine. Students can answer these questions remotely by filling out the form electronically, saving their work, and sending it back to their teacher. Alternatively, the PDF collection can be printed and distributed in the classroom so that students can complete by hand. Diving Deeper PDF dials can be used exactly as they are, or you can only use questions that meet your needs.
