Report Problem Crush the Castle TD by iHackedGames.com. A long time ago, the king of the Redvonian empire occupied the lands, thanks to his loyal and cunning siege master. The Siege Master defeated all those who stood up to his king by toppling with deadly precision from under the castles under which they hid. The mighty King of Redvonia was not afraid of anything because he believed that all his enemies were buried under the rubble and debris. And they' re... Except King Blutias. King Blutias vowed revenge, surrounded by the ruins of his kingdom and the bodies of his followers. He amassed a formidable army and marched towards the Redvonian empire with the intention of destroying all the castles on the sky... Even if they had to remove every stone by hand. The King of Redvon knew there was only one hope for the survival of his people. He'd turn to the Siege Master again. Controls place towers along roads or strategic areas to protect your castle.
