Hello anime themed game fans. Here, in this article we write about a successful Canadian anime series, a popular successor to Slugterra, and this is called Slug it out. The originally released game has an updated version and its name is Slug it out 2. The basic concepts from anime, as in the first version, however, have been preserved with some improvisations. Take slugs, train them with them and duet them and protect them from falling into the hands of your evils. You can do this by winning battles and releasing slugs and fighting slugs that you already have. Slug is a creature in the theme of the game, which controls one of the basic forces of earth, fire, water, energy and air, or is one of the slugs of the lineage. There's a bad professor who does all the slugs or evil. Basic slugs are the strongest. You have to protect them from snoring, or the entire lineage of those slugs will tremble. You can train your slugs and form an individual bond with each one. War and war are tough. Collect slugs, give them strength and see them advance in battles. Also, you can find evolutionary stones, develop your slugs like pokemon mega. Eli Shane, the game hero will enshrined la protect these slugs, and make the hero himself. For this, he has his favorite startup slug Burpy, which will help him start things. Use slugs to beat other slugs and make them their own. You can choose to fight all the dominant bosses and bad guys in the original TV anime. Some basic features make this game a virtual anime that decides the examples. These stones can be cashed in to collect gems to defeat bosses and collect new slugs. Although this article may seem sluted, the game is definitely not. It has a good animation and continues to play beautifully with character theme and demand of the game. The game has 4+ reviews on the PlayStore. And if you like story-building games, we recommend playing the game. Let's talk now ... Slug It Out 2 Promo Codes 2020 No codes are currently available but, soon you will be adding them ...
