Best of the valley 2018

The candidates will not be final until voting begins on 4/15/2018. Any entrepreneur or person who does not represent well benchmark media, Lehigh Valley Magazine or a competition can be considered ineligible and removed from the competition at any time. Companies that have chosen not to meet the definition of this category may also be eliminated. (For example, if a company is nominated for Best Wings, but they don't sell wings, they would be eliminated into this category.) We have tried very hard to ensure that all candidates are eligible for this category, but with several hundred companies in office, it is possible that we may have missed one or two. Companies and individuals are not obliged to advertise to be identified or win. Think about the gym. Muscle-bound men do tricep curls while women spandex pedal endless miles of exercise bikes. Now forget about it all. These things can still happen, but you're more likely to see it with people over 50. Those in their 20s and 30s, known as millennials... We are pleased to announce the winners of the 2018 Valley Advocate readers' survey! Categories and winners are available to view here. Thank you to all our incredible local businesses, and of course Valley Advocate readers, for voting! Happy Birthday! ... Drumroll, please... The winners of the eleventh year Best of Our Valley contest are here! Every year, AZFoothills.com ask readers to vote for their favorite Valley people, places and more.
