Harris Health – Golden Ticket – How to implement the Harris Health System, formerly known as a gold card, helps people with low or no income receive quality medical care. If you're uninsured, Harris Health System is a way for you to find affordable health care and inciting surfing. Harris Health Care isn't free, but there's financial aid for those who qualify. Houston family case managers can help provide free help with the app. How to Apply for Harris Health (Gold Card)Do you know how to apply for Harris Health (Gold Card)? If not this article will provide you with easy to follow the instructions on applying for coverage. Harris Health's financial aid program is the Harris County Safety Net program that provides health coverage to those who are uninsured or simply unable to find affordable coverage. Harris Healthcare is not free even though there is financial assistance for those who qualify. What is the Gold Card/Harris Health System? The Golden Ticket is a safety net medical program that treats low-income people in Harris County. While locals still regard this program as a golden ticket the real name is Harris Health's financial aid program. This service is provided to the community by a local health network called Harris Health System. This network was formerly known as harris county hospital district. What services does Gold Card/Harris offer to the healthcare system? The Golden Ticket provides the following services to its patients: primary care through community-based clinics that heal this day from special clinics for cancer treatment, cardiology, dialysis, stroke, geriatric, HIV/AIDS and moreThe community-based servicesSychiatryPharmacy Trauma Treatment facilities like Ben Taub and LBJ Hospitals Who should apply for a gold card? Uninsured, homeless or recently unemployed Harris County residents are welcome to apply for the golden ticket. Many people believe that if you are not insured there are no medical treatment options for you, however, this is a lie. Harris Health System was created to help these people who fell through the cracks. Another group of people who should consider applying for Harris Health is anyone uninsured who needs hospitalization or surgery. If you need major health care the Harris Health System can potentially provide you with this help. Here's a quick summary of how to apply for the Harris Health Gold Card. In the following sections, we'll go to more details about each step. Applying for a gold card during COVID-19 has two ways to apply for a gold card during the Coronavirus epidemic and these: Visit the Harris Health Eligibility Center Until you implement it can receive a mail request to you by contacting the eligibility information line on 713.566.6509 The second option may be preferable if you want to protect yourself from COVID-19 during this period. Step 1: What Harris Health discount plan are you eligible for? Before traveling to the Harris Health Eligibility Center it's a good idea to find out which Harris Health discount program you're eligible for. Harris Health won't deny anyone services, but the discount plan you get depends on a number of factors like: If you live in Harris County if you currently have insurancethe number of dependents you have your household income to get a better idea of your potential in gold card pocket costs use Harris' health eligibility calculator to see which one. A plan you're entitled to. Note: You can get Harris Health Care if you live outside Harris County even though you will live at 100%. Harris Health offers 5 different discount programs ranging from zero plan to Four. Gold card enrollment process program for homeless people in typical way anyone who is homeless and will be eligible for a zero plan. People eligible for this program will pay little to nothing for payments and prescriptions. To enroll in harris zero's health program, you have to get a homeless letter. These letters are available in Houston shelters such as the Beacon, Lord of the Streets, and search for homeless services. Only shelters can provide letters to homeless people and sign up customers for harris zero's health plan. Note: Harris Health defines a homeless person as anyone who doesn't have a physical address. A gold card registration process for non-homeless Jews with a physical address must apply for Harris Health at one of the eligibility centers. You can follow this link to the Harris Health Eligibility Centers list. People on harris 1-4 health discount plans are required to pay some fees for services. Peer payments at the clinic can range from \$3 for Plan 1 all the way to a maximum of \$95 for Plan 4. Keep in mind that these prices are estimates and subject to change. In the next section, we will discuss the actual Gold Card application and provide you with a link to download the application. Editor's note: For more options regarding primary care for the homeless, see our guide titled 7 Medical Treatment Options for Homeless People in Houston. The cost of Harris Health Care The following prices are estimates to give you a better understanding of what Harris Health Care can cost. This information was obtained through the Eligibility Calculator and is based on the following criteria: Someone living in Harris County does not have a Medicare1 person at homefree to use Harris Health's eligibility calculator to enter your unique circumstances.
