## Omega juicer parts uk

Omega Juicer 8006 Nutrition Center is a horizontal single auger sealant juicer and designed for quiet operation and long life, offering excellent performance with ingredients like leafy vegetables and leafy green vegetables that are difficult to make juice. Omega Juicer 8006 Nutrition Center is equipped with a powerful motor, this putty juice extractor thoroughly chews vegetable fibers to fully extract vitamins, enzymes and minerals from fruits and vegetables. The unit's two-stage juicing system ensures maximum efficiency, while its low rotation speed of 80 RPM means no foaming, no blockage and no build-up of heat. Other highlights include high juice yield with very dry flesh, automatic pulp drying function for continuous juicing, heavy construction, four stabilizing legs and quiet operation. Easy to assemble, operate and clean. Not only for juicing, the nutrition center turns nuts into nut butter, squeezes pasta, ground coffee and spices, ground herbs and garlic to provide baby food, and whip up soy milk in a flash. A 15-year warranty – the longest in the industry – ensures that you have purchased the last juicer you will ever need to own. (The UK voltage model is also marked on the box as omega 8226 with a label 2 indicating different engine voltages – it's exactly the same juicer in all other respects) Key Features Continuous Juicing with Automatic Pulp Ejection Exclusive Dual Stage Masticating Extraction 8 Times Stronger GE Ultem™ juicing auger 2HP engine which is super-quiet and reliable for years of hassle-free juicing Low rotation speed of 80 RPM for healthier, more natural juice Simple assembly and easy cleaning Included 6 Nutrition Centre attachments for a mincer, a homogeniser and a paste maker Superb at juicing not just fruit and vegetables , but leafy greens too 15 year warranty from manufacturer and service in the UK Top quality engineering and design - Heavy Duty Construction Non-clogging operation due to the built in reverse function Skip to content Page 2 Skip to content &lt; Previous 1 2 3 4 ... 8 Next &gt; Page 3 Skip to content &lt; Previous 1 2 3 4 5 ... 8 Next &gt; Page 4 Skip to content &lt; Previous 1 2 3 4 5 6 ... 8 Next &gt; Page 5 Skip to content &lt; Previous 1 ... 3 4 5 6 7 8 Next &gt; Page 6 Skip to content &lt; Previous 1 ... 4 5 6 7 8 Next &gt; Page 7 Skip to content &lt; Previous 1 ... 5 6 7 8 Next &gt; Page 8 Skip to content Don't see your model?
