Dracut police department roster

Dracut's Police Patrol Unit consists of three Lieutenants, five Sergeants and nineteen Patrol Officers. The Patrol Unit is the backbone of the department. The members of the Patrol Unit provide the most important resources to the Unit. Our primary goal is to maintain a well-trained, professional and educated police force. In this way, the department will provide the community with the highest possible level of police service and protection. After the dispatch center responds to initial contact with a caller, patrol officers handle the initial response to 911 calls and regular calls to the police department. The Patrol Unit will complete the initial report on both criminal and non-criminal activity. Many criminal investigations are conducted at patrol level. The most serious criminal investigations are being conducted by the Criminal Bureau. The most visible police presence in the community is Patrol Officers. One of the work of the Patrol Unit is to provide primary law enforcement agencies to the public 24 hours a day, seven days a week, fifty-two weeks a year, every year. Patrol officers are trained to respond quickly, assess and manage all kinds of situations. The Patrol Department operates a fleet of Ford Interceptors and Ford Explorers. In addition to the standard patrol, the Dracut Police Department also employs a number of specialized units. Please access the links to learn more.
