PAC Fundraisers: Biscuits, Cheesecake and Chocolates! The order forms went home with the students last week and were sent by email to our mixed students. Thank you for supporting our school initiatives. Our PAC is important to raise money to support our school. These include: classroom teachers' funds (buy supplies, incentives, all small items that are not included in the school's normal budget), excursions, school performances, sports equipment, playgrounds and technology. We wouldn't be able to do a lot of these things if it wasn't for the support of our older community. Thank you all! The due date for orders is Tuesday, 24 September 2017. Health and safety protocols: As we head into the colder weather and flu season with an increase in covid numbers, could you take a few moments to talk to your child about the importance of keeping everyone safe? Please talk to your child about the importance of handwashing for 20 seconds and how best to do it. Also discuss the importance of wearing a mask, not only to protect yourself, but others as well, as we try to keep everyone healthy heading into the holidays. It would also be a good idea to pack an extra mask into your child's backpack. We will continue to discuss these issues in class and encourage the mask to wear when students are nearby. Distancing parents is important for picking up and picking up. We very much encourage the use of the mask and distancing.
