This is probably the most famous k drama ever and the first k drama for a lot of people, and that's why - somehow - we love this drama. The story is just a great WTF! to me, really ... And it doesn't always make sense. But an incredibly still catchy story lol, this BOF is what it is, somehow hooked, but deep inside, I know it's not good at all what you're watching. Acting is just BLEH! Although I love Lee Min Ho and is now one of my favorite actors, BOF he was not as good as he is now ... it wasn't a terrible acting but it wasn't a good at dramatic scenes and crying and bitter but she lacks emotion in other scenes like kisses or funny moments and etc... F4: oh boy! In this story eyecandy is a 10/10 asian male doing whatever they want with your emotions and they are just looking hot while destroying asdfghik's heart haha ... And you probably need to see what this drama is and makes a famous Yoon Ji Hoo (Kim Hyun Joong) BOF have probably never had the worst and sad second bullet syndrome ever! Really... Even if you don't ship JanDi with JiHoo, the drama still feels horribly sad about jihoo life (a horrible and lonely) omg! my heart still hurts when I remember... Despite all this, BOF is a very re-watchable story ... If you want to cheer it up, or cry like crazy or just remember or see a hot Asian male gathered in a drama, just go bof.:) Read More Did this comment help you? Park Shin Hye passed tests to represent Jan Di, but at the last moment she was refused to look like a wealthy girl, not a poor girl. That's how Goo Hye Sun won the tests for this role. Kim Hyun Joong and Goo Hye Sun met on the same team on the x-man show long before the drama project began. Gu Jun Pvo was offered the role of first actor Jang Geun Suk, but he refused because he believed it was too big a role for him. In addition, initially I wanted to play the character Ji Hoo but Kim Hyun was given to Joong, so he decided to join the Beethoven Virus and left Lee Min Ho as Gu Jun Pyo. The cast and crew shot for a week on New Caledonia and Waiheke Island in the South Pacific. Shooting also includes Macau and Jeju Island. In the statements of script manager Yoon Yi Ryun, gu Jun Pyo was not initially the protagonist of the drama, yoon Ji Hoo said that most of the screen time (with Jan Di) was for him. It's the last time. He had disappeared for some reason for the drama that everyone had gathered in New Caledonia and that Jan Di and Jun Pyo would be looking for wedding rings in the water for Jan Di, which was cancelled after they returned to Korea and realized that the missing ring was on Jun Pyo's finger. In 2011, in Hispanoamerica, children were better than flowers on panamericana Television (Peru), Puerto Rico TV (Puerto Rico), SERTV (Panama), Mexiquense TV (Mexico), Ecuador TV (Ecuador), ETC TV and MEGA (Chile). Super Junior's Lee Teuk announced on his radio show SUKIRA (Super Junior Kiss The Radio) that gu Jun Pyo had been offered the role of Choi Si Won from the same group, but refused. The second season grew, but due to the director's insecurities, he recorded a special called Just the F4 rereunite. Actor Kim Hyun Joong was initially afraid to accept the role of Ji Hoo for fear that it would ruin his music career, but once I accepted the role, he immediately went to buy the full manga in episode 4, the man who made a brief appearance with the band SS501 members singing. Due to a hamstring injury to Goo Hye Sun, Group Eight decided to make a special broadcast on March 2, 2009, and the 17th-century 19th-century committed suicide on March 07, 2009. At the beginning of episode 18 comes the following message: We offer our condolences for Jang Ja Yun, praying that he will rest in peace. Episode 20, Goo Joon Pyo and Geum Jan Di, on the film scene, were watching Death Bell, Horror, F4 starring Kim Bum.
