City of toledo bulk trash pickup

We provide quality, effective and timely services to the citizens of Toledo in the most cost-effective way through the use of innovative practices, state-of-the-art technologies and a polite, well-trained workforce, with an increased sense of pride and professionalism. Our department consists of five departments that manage services such as park maintenance, leaf collection and snow removal, road repairs and solid waste removal (waste and recycling). See a map of the city parks near you and learn more about rental options for events, recreation, etc. See the Leaf Collection Parks is just around the corner! Find out when they'll be in your neighborhood. Get ready Find the pickup schedule, learn how to recycle more efficiently and find opportunities to drop waste. Lean more We partner with Republican services to facilitate much of the garbage and recycling services for our residents. For questions and concerns about waste, recycling or bulk cargo, please call Republic Services at 419-936-2511. Waste collection the waste collection is processed by republic services and collected weekly. All waste must be placed in the grey waste bin, which can be placed on the pavement the night before your planned pickup. The Toledo Bin Assistance Program, which needs help getting their recycling bins and bins, should call the Republic of Services to request an application. Recycling recycling 2021 and recycling of waste recycling are also picked up by Republic services and collected every other week. Only certain types of materials can be placed in the blue recycling container and all elements must be clean and not be food residues before it is placed in the bin. You can make a difference! Recycling is key to reducing waste in the city of Toledo. How to throw away various services for materials republic offers residents a free bulk pickup per month. Please call to plan the pickup before placing large items on the sidewalk. Shipments will be collected one working day after regular collection of waste (for example: the day of collection of waste is Wednesday = mass day is Thursday). All waste must be packed. Wooden/branches must be connected and tied not more than 3 ' by 4' and not more severe than 30 pounds per package; nails/screws must be pressed or removed. Voluminous elements should be placed on the sidewalk in front of the home. There's no pickup truck from the driveway and no side streets. Call 419-936-2511 to plan.
