This fee includes all required teaching materials and must be paid before the end of the course. COURSE SCHEDULE AAA, referred to as a course provider, offers a course made up of nine (9) training units that are required by Virginia law to last 8 hours long. To comply with this law, we (and all other online-guided improvement schools) need to set up timers on each page of the course. We understand that some students may read faster than the timer allows you to move forward, but state regulations prohibit us from changing or banning timers for any reason. Once the online final exam has been accepted, the student will receive a graduation certificate within 24 hours. The course is available in student 24-hour display, 7 days a week. This availability may be affected by circumstances such as, but not limited to: system, site, or connectivity failure over which the course there is no control. COURSE REPORTING NOTE If you complete this course for court purposes and safe driving points are awarded, you must email (driversed@aaacorp.com) your court notice to us before completing your online final exam. The notification shall stipulate that the court must provide safe driving points. Safe driving points will not be given if we do not receive your court case before completing the final exam. It is your responsibility to determine whether your court agrees to this computerized DIP course to satisfy the court's required driver improvement courses. The AAA Online Virginia Driver Improvement Program Certificate is sent to the student by email within 24 hours of the end of the course. AAA notifies the Virginia DMV of completing the student course within 1 business day or 24 hours. The HARDWARE AND SOFTWARE COURSE PROVIDER provides minimum hardware and software requirements for completing the course.
