Pilson Original Briefcase Orter Green is made for men who love style and quality. Pilson Original Briefcase 11070256 is Pilson's strongest and most versatile briefcase. This bag is suitable for everyday use in the field. The classic Pilson original briefcase is made from Pilsonsignitcher Lugged Twill, an industrial-strength water-based fabric that resists wear and tear for years of reliable service. Inside, there's a spacious carrying compartment, two full-length open pockets, and an all-round compartment for calculators, business cards, pencils and pens. Narrow pockets at both ends and full-length outer pockets on both sides. The adjustable bridle leather shoulder strap allows for shoulder or cross-body messenger carrying and can be removed when carried by hand. You can't find more durability in fabric briefcases. Meet carry-on requirements. Designed and woven exclusively for the rugged industrial strength cotton TWILL. Pilson, the rugged twill is pilson's most durable and hard-woven rugage fabric. Industrial-strength cotton is tightly woven into 2ply x 3-ply twill and lightly waxed for lasting protection against wear and wet weather. Some of the solid twill pieces of luggage from Filsons customers travelled a million miles, and there was nothing to show a few hard-earned snouts. Pilson has been making bags and clothing since 1897. In this way they know exactly what they are doing. Filson converts indessable canvases into hard, sturdy briefcases to protect all your equipment in any weather. Pilson guarantees excellence in quality heritage, outdoor clothing, bags and accessories. Order from Pilson Original Briefcases, Bobacks, Certified International Pilson Dealers and Pilson Specialists in Europe. Europe's Largest Pilson Collection | Available immediately, ordered before 22:00, the same day we | Free Shipping & Returns | 30-day return policy. The Pilson briefcase is one of many Pilson bags in a large and carefully selected collection. You can see the full collection of Pilson bags in the online store. Our iconic sturdy twill and bridle leather original briefcases are built to survive every job on land, sea or in the air. The lightly waxed fabric sheds water and can withstand abrasion year after year. The handle and removable adjustable shoulder strap are made of the same brail leather as the breedl leather used to make horse tacks. The spacious interior has an organized partition and space for a 15-inch laptop. ® brass zip with YKK and 15-inch storm flaps. One Pilson customer actually recorded more than a million miles of travel with his original briefcase. Read more Read less It's a 15-inch laptop with a Pilson signature luge twill on the Handle of Millerlyn, England, and a 15-inch laptop made from a removable shoulder strap made from vegetable-tanned bridle leather from Pennsylvania® Zippered frayed brass sandcast solid brass hardware made of rust with two external stow pockets and inner partition material 100% cotton solid twill + bridle leather + brass dimensions 16L x 4W x 12-1/2H care wipe or brush cleaning; As needed, the conditioning leather is made in the United States from imported materials. When we introduced the original briefcase in 1994, it was clear that our mission each year was to use the best materials available to manufacture briefcases that align with our heritage of providing our customers with equipment that meets the rigors of strict use. More than half a century later, it's still a bestselling bag, proving the old-fashioned idea that if it's worth doing, it's worth doing the right thing. Because it's made of sturdy materials and structures, customers have reported recording more than a million air travel miles through their original briefcases. The industrial rugged twill from Millerin, UK, is a 2-ply by 3-ply twill and has excellent resistance to wear and tear. Lightly waxed to dry out valuables. Cut, blazing and edge-dyed leather handles and straps at its Seattle factory, the Bridle leather is the iconic Pennsylvania wicket & Craig (Wickett & Craig hides vegetable tanning. Each hide is slowly filled with a special shell tannin solution, with repairs and wax stuffed hot at the last stage. This eco-friendly tanning process transforms cowhide into durable, flexible leather suitable for horse tacks, saddles and Pilson briefcases. Heavy gauge brass zippers are rust-free, virtually indessable and reinforced with bridle leather. All this is stitched together with heavy duty, cotton-wrapped polyester threads to ensure a briefcase that offers decades of relentless durability. Every design detail in the original briefcase has been carefully considered, even in unclear designs, such as the binding of internal seams that prevent wear and double-layered floors for increased protection and durability. The trim design was not intended to carry a large computer, but the two internal partitions can accommodate tablets or small laptops. Organized maintenance with slotted interior pockets for pens, tools and cards is a sinch. The breed leather shoulder strap is removable and adjustable for a custom fit, and features a sliding shoulder pad for comfort under heavy loads. Custom solid brass hardware is filson-only sand casting and debossed, because every detail is important. Read more Less functional wax, industrial strength rugged twill two outer pockets, two internal interiors slot pockets for the card and pen double layer bottom; Available in North America-sourced pad saddle-class breedle leather and U.S.-made weighted tin cloth adjustable, Removable 46'-long Bridle Leather Shoulder Strap Interior Seams 100% Cotton Luckest Twill + Brail Leather Use Travel, Daily, Workwear Dimensions 16L x 4W x 12 1/2H Import material Made in the U.S. Pilson Original Briefcase Otter Green is affectionately known as 'Pilson 256 Otter Green', by the official product code. Crafted from Pilson's signature 'rugged twill' wax cotton canvas, this bag is durable and waterproof. Every Pilson item literally lasts a lifetime, only for Pilson's 'relentless merchandise', with a lifetime warranty on every product. The original briefcase features a storm flap over a hard brass zip to take water out of the bag and an external stow pocket on the go. The interior consists of large compartments with several partitions for convenient and smart stowing. A regular 15-note book should be mounted inside without problems. The bag is served with a removable 46-inch long bridle leather shoulder strap and weight-power pad. Pilson's products are supplied with only the best ingredients. The rugged twill and Tin Cloth are made from two signature Pilson fabrics by british Millerain, a renowned Manchester wax cotton maker. All iconic breedle leather pieces, including handles, straps and reinforcements, are sourced from North America and are made of Horwen leather. The solid brass YKK zipper is used throughout and can be used for life. Use.
