All this significantly elevates the application on its predecessors. Here is a mass of famous generals - more than two dozen: Napoleon, Kutuzov, Murat and many others. The app provides a unique opportunity to become the greatest ruler of all time. Android version rating: 2.3 and higher than Russian: Current genre: Do strategies want to participate in Napoleon's rise? Then this game is just for you! The plot and action of the game takes place at the crossroads of the 18th and 19th centuries. Recall that in those days Napoleon reigned. You have to engage in fierce battles between different countries. There is a large selection of troops and generals at your service. The latter have unique exceptional skills. Each general has its own pumping system. You will fight on the most realistic maps. In the development of locations, the actual maps of those times were taken as a basis. This certainly adds more realism to the game. If we talk about the game in more detail, this game is a somewhat simplified version of Total War and other similar projects. Game modes featured several game modes: Campaign (divided into several separate parts). In this way you have to become a great commander and lead your country to victory. Capture. This mode is represented by several segments of time, each of which will have to engage in fierce battles. You will find fascinating battles with several dozen countries at the same time. Choose a state and destroy all your enemies. Multiplayer. In multiplayer mode, you will be able to fight other players. Kandragon3 Jan 7, 2021, 7:08 pm Hello Dear Administrators, Moderators, Mododes and other gentlemen. I've been here lately (in terms of tuition), but I've been rocking hacking for a long time. I wanted to order a break-in or a private server for Dragons World. The first chapter of this game was eliminated in 2019. And he just left the global version. Well, the game is released by the developers of the same game. The century has not been updated and will not be updated. The game itself is online. It's been a very cool and old game since 2012. Well, the site is cutting but it is not updated and old. Please note. Are they asking you a lot admin?
