**What words start with g and sound like j**

(There are some exceptions to this rule.) The g character has two sounds, hard g and soft g. The hard sound of g occurs more frequently. Her voice is heard in gas, got, gums, etc. Soft G looks like j, heard in jewel, giant, gym, etc. Read these words. General age of cute orange bandage pack girl germ damage hinge phase danger strange language strange luggage strange garbage management teenagers giant iggy fringe delicacy giant magic salvage ginger shell yaw spun slow engine imagine tragic apology gypsy clergy gym pudgy gyp stingily can you think of any more soft g words? Type them using any of the soft spelling patterns g, (ge, gi, gy). Skill: Soft G (G, G, gy) = J sound (not always) \_ put two angel pins in the hamster cage door package has a strong hinge. The teenager was afraid of strangers. A gymnastics class was held in a large room. Put the cute hamster in the cage. Giant windmills can generate power. The gym has storage space. Can you guess my two-digit number? Angie underwent a tragic surgery. Can you imagine being a giant? Laziness is slow and pudgy. Gypsy Scrooge seduced me. I had a tragic fall and got emergency care. Spelling/practice dictation for soft g words (ge, gi, gy) \_ Please include some words in your sentences that have a spelling style (ji, g, guy) as in a cute, giant, gym. Remember all sentences start with a large letter and end with a point (.) or a question mark (?) or an exclamation mark (!) please be alert to good art skills.

Please \_ let's look at every satire and only when we use a particular spelling... 1. ) J character makes/j/sound character j makes/j/sound when it comes before a, o or u in the word is most often Anglo-Saxon. Let's look at some examples: a blow-up jump jacket crowding 2.) The character g makes/j/sound character g makes/j/sound when followed by e, i or y in a word often derived from Greek or Latin (these languages do not use the symbol j to represent/j/sound). I would like to refer to g making/j/sound as part of the base stick vowel. Let's look at some examples: a cute gem gym giant hydrogen ginger 3.) The characters -dge make/j/sound letters-dge make/j/sound at the end of one syllable word, followed by one short vowel. These words are most lyced esplant. I would like to refer to -dge making/j/sound as part of the soldier base (this rule simply states that d is a soldier who stands silent protecting the voice of the short vowel in the middle of a great ge at the end of the floor). Let's look at some examples: bridge sledge badge on edge 4.) The letters -ge make/j/sound letters-ge make/j/sound in a single syllable word after diphthong, static or long vowel sound. These words are most often Anglo-Saxon unless they are found at the end of the multi-character word, which is often derived from Greek or Latin. Let's look at a few examples: Cage Rouge cringe stooge revenge privilege note: The French also use the later age and pronounce (ážh). For example: decoupage garage mirage corsage camouflage 5.) The d character makes/j/sound d character makes/j/sound when used with u connective. When u connects the root or keyword that ends with d to suffix, d makes /j/sound. These words are derived from Latin. Let's look at some examples: one remaining progressive timeline is important to learn the five ways to spell/j/sound in English and the basic rules behind each spelling to help our students with precise decoding and coding skills. It cannot be assumed that our students with dyslexia understand these rules that govern English and, therefore, need to give explicit instructions in order to be successful. In fact, all students will benefit from this knowledge. Acquiring English is a true gift that can only be delivered by a qualified, passionate and dedicated teacher... Whether it's a parent, a school teacher, a speech and language specialist, or someone who teaches other individual language skills. You're a life-changer and life saver for many! Thank you for the hours of dedication you have put in mastering your skill sets for others who are in dire need of you. Keep doing what you're doing because the world needs what you just have to offer... Copyright © 2021 Double Media, LLC All Rights Reserved.
