Buy or rent eBooks for up to 150 days. This text is an unbound edit, ready for the binder. Kieso, Weygandt and Warfield's Intermediate Accounting, Sixteenth Edition continues to set the standard for students and professionals in the field. The 16th edition is based on this legacy through innovative new student-centered learning. Kieso maintains the qualities by which the text is recognized worldwide, including its reputation for precision, completeness, accessibility and problematic quality material that best prepares students for success in the CPA exam and accounting careers. The 16th edition offers the most up-to-date coverage of US GAAP & IFRS in a format suited to the complex challenges of teaching intermediate accounting in these changing times. WileyPLUS is sold separately from the text. Donald E. Kieso, PhD, CPA, received his bachelor's degree from Aurora University and his doctorate in accounting from the University of Illinois. He is currently Professor Emeritus of Accounting KPMG Peat Marwick at the University of Northern Illinois. He has experience in public accounting with Price Waterhouse & Co. (San Francisco and Chicago) and Arthur Andersen & Co. (Chicago) and research experience with the Research Division of the American Institute of Certified Public Accountants (New York). He has completed post-doctoral work as a visiting academic at the University of California, Berkeley and has received the NIU Teaching Excellence Award and four Golden Apple Teaching Awards. Professor Kieso is the author of other ledgers and businesses and is a member of the American Accounting Association, the American Institute of Certified Public Accountants and the Illinois CPA Society. He is currently a member of the Board of Physicians and Executive Committee of the University of Aurora, as a member of the Board of Directors of Castle BancGroup Inc., and as Treasurer and Director of Valley West Community Hospital. Jerry J. Weygandt, PhD, CPA, is Arthur Andersen Alumni Professor of Accounting at the University of Wisconsin-Madison. He holds a doctorate in accounting from the University of Illinois. Articles by Professor Weygandt have appeared in Journal of Accounting, Journal of Accounting Research, Accounting Horizons, Journal of Accounting, and other academic and professional journals. These articles have examined issues related to financial information such as the accounting of financial information convertible securities, stock options contracts and interim reports. Professor Weygandt is the author of other books on accounting and financial reports and is a member of the American Accounting Association, the American Institute of Certified Public Accountants and the Wisconsin Society of Certified Public Accountants. He has served on numerous committees of the American Accounting Association and as a member of the editorial board of the Accounting Review; he has also served as President and Secretary-Treasurer of the American Accounting Association. He received the Wisconsin Institute of CPAs Outstanding Educator Award and the Career Award. In 2001 he received the Outstanding Accounting Educator Award from the American Accounting Association. Terry D. Warfield, Ph.D. is an associate professor of accounting at the University of Wisconsin-Madison. He received a B.S. and M.B.A. from Indiana University and a Ph.D. in accounting from the University of Iowa. Professor Warfield's area of expertise is financial information, and before his academic career, he worked for five years in the banking industry. He served as Academic Accounting Fellow at the Office of the Chief Accountant of the United States. Securities and Exchange Commission in Washington, D.C. 1995-1996). Professor Warfield's main research interests relate to financial accounting standards and disclosure policies. He has published academic articles in the Accounting Review, Journal of Accounting and Economics, Research in Accounting Regulation and Accounting Horizons, and has served on the editorial boards of The Journal of Accounting, Accounting Horizons and Issues in Accentation Education. He has served as chairman of the Financial Accounting and Reporting Section, the Financial Accounting Standards Committee of the American Accounting Association (President 1995-1996), and the AAA-FASB Research Conference Committee. Professor Warfield has received teaching awards at the University of Iowa and the University of Wisconsin, and was appointed to the University of Wisconsin Teaching Academy in 1995. Professor Warfield has developed and published several case studies based on his research for use in accounting classes. These cases have been selected for AICPA's Teacher-Practitioner Case Development Program and published in Issues in Accounting Education. 1 Accounting and financial management standards 2 2 Conceptual framework for financial information 42 3 Accounting information system 82 4 Income statement and related information 158 5 Balance sheet and Cash Flow statement 212 6 Accounting and money time value 286 7 Cash and receivables 344 8 Valuation of A Coconut Approach 414 9 Inventories: Additional Valuation Problems 472 10 Acquisition and Disposal of Property, Plant and Equipment 536 536 Depreciation, Impairments and Exhaustion 588 12 Intangible Assets 648 13 Current Liabilities and Contingencies 700 14 Long-Term Liabilities 762 Chapter 0 Assignable Accounting Cycle Review provides adaptive and practical review of each stage of the accounting cycle with additional reading content, exercises and problems to provide additional opportunities for granular and comprehensive accounting cycle practice. Questions from an easy multi-choice, algorithmic test bench make student assessment easy to create and assign. All questions are labeled for Bloom Taxonomy, AACSB, AICPA, and IMA standards, enable instructors and departments to quickly demonstrate results, analyze student performance data, and make immediate improvements. Organized Learning A new simplified learning design from both WileyPLUS and text helps students find relevant videos, reading content, and resources based on associated learning goals to ensure the best use of time out of class. The FASB Update Content has been updated with references to recent FASB standard updates, including Revenue Recognition, Financial Instruments, Leases, and Pensions. Troubleshooting Terry Warfield Tutorial Videos and subject matter experts provide videos with step-by-step solutions to over 100 issues that are based on similar problems that students will encounter in their tasks. Career-focused Readiness Career resources are available within WileyPLUS, including access to 1,000 QUESTIONS related to the FAR-related CPA exam through CPAexcel, opportunities to search for internships and basic accounting positions with Accountingly, and the ability to seek professional advice, resume and interview with InsideTrack's professional coaching demonstration. WileyPLUS with ORION addresses the challenges of student readiness and retention, and helps instructors and students improve learning outcomes by integrating course content with learning tools, assessment, and practice activities into an adaptive platform. Based on cognitive science, ORION provides students with a personal and adaptive learning experience so they can identify what they know and don't know in time, develop their competence on topics, and use their study time in the most effective way. WileyPLUS with ORION helps students sobre ellos. Subject: Kieso16 Edition Financial Accounting (JK) Contabilidad intermedia, 16a edición Name: Contabilidad intermedia, 16a edición - Donald E. Kieso, Jerry J. Weygandt and Terry D. Warfield The Sixteenth Intermediate Accounting Edition continues to set the standard by providing precision, accessibility and problematic quality material to better prepare students for success on the CPA exam and in their accounting careers. WileyPLUS Next Gen for Intermediate Accounting gives you the freedom and flexibility to customize content and easily manage your course to keep students engaged and on track. Schedule a demo Register for an Adopt WileyPLUS driving test Do you want to learn more about WileyPLUS? Click here what is inside on the authors' table of contents The accounting cycle is continuously reinforced. Assignable Chapter 0 provides an adaptive review and practice of each stage of the accounting cycle with reading content, exercises, and problems to provide additional opportunities for granular and comprehensive accounting cycle practice. Career-focused resources bridge the gap between course content and professions. More than 1,000 CPA exam-related questions related to CPAexcel and 240 assignable CPA questions are available on WileyPLUS. Students can search for internships and basic accounting positions while receiving career, resume, and interview advice from professional coaches. Multimedia assistance for the task reaches all types of students. Terry Warfield along with two subject matter experts created the tutorial videos for the solution. These videos align with the content of the book and help students respond to problems that are similar to those they will encounter in their assignments. Video Library: In addition to troubleshooting tutorial videos, students have access to various author lecture videos and skill videos applied for each chapter to review key troubleshooting techniques of authors and subject matter experts. Career Readiness: Career-focused resources are available at WileyPLUS, including access to seek internships and basic accounting positions with Accountingly and the ability to seek professional, resume, and interview advice with InsideTrack's professional coaching demonstration. Wiley Accounting Updates: Weekly selected news articles provide students with an app-based understanding of how topics relate to the real world. Each item is combined several discussion questions to encourage critically on the subject in relation to course content. Easy Assessments: Algorithmic and multi-choice test bench questions make it easy to create and assign student assessments. All questions are labeled for Bloom Taxonomy, AACSB, AICPA, and IMA standards, enable instructors and departments to quickly demonstrate results, analyze student performance data, and make immediate improvements. Organized learning: A new simplified learning design from both WileyPLUS and text helps students find relevant videos, reading content, and resources based on associated learning goals to ensure the best use of time out of class. Accounting Cycle Review: Chapter 0 assignable provides an adaptive review and practice of each stage of the accounting cycle with additional reading content, exercises, and problems to provide additional opportunities for granular and comprehensive accounting cycle practice. Easy Assessments: Algorithmic and multi-choice test bench questions make it easy to create and assign student assessments. All questions are labeled for Bloom Taxonomy, AACSB, AICPA, and IMA standards, enable instructors and departments to quickly demonstrate results, analyze student performance data, and make immediate improvements. FASB Update: Content has been updated with references to recent FASB standard updates, including revenue reports, inventory, debt issuance costs, revenue recognition, and financial instruments. The new lease coverage will be updated in autumn 2016, while the text will include an evolving problem chart covering the new material, in accordance with the Kieso standard of being authorized and updated. Simple Practice: New Chapter End Review & Practice section with additional exercises and issues ensure students have many opportunities for additional practice. 1.
