More Arifureta Shokugyo de Sekai Saikyo Wiki Author: Chum Suki Among the class that was transported to another world, Nagumo Hajime is an ordinary male student who has no ambitions or ambitions in his life called Incompetent by classmates. The class is designed to become a hero and save the country from destruction, class students are blessed with cheat specifications and cool working classes, but that's not the case with Hajime, his working class is synergist and his stand are very normal (summary). Synergist, to put another word in, is just a craft class. When he's weakest, he falls into the depths of the aces as he and his classmates explore the dungeon. What did he find in the depths of the aau, and can he survive?
