Meet the seller and the pet in person Do not wire money or make advance payments. Pay only for shipping if you know the seller. For more information, visit the Security Center. Report suspicious ads by clicking . For sale in a good house: two unregistered female puppies. We have both parents - they are great dogs! Loving, athletic, clean - they're great couch potatoes when you want them to be, too! Born on Labor Day, these girls will be ready to go to approved homes in early November. nights or leave the message Reply to the salesman An American breed, the Rat Terrier was created by immigrants using a mixture of ancient-era Fox Terriers crosses and other Common European terriers in the 19th century; the Old English White Terrier, Manchester Terrier, Bull Terrier, etc.; and later later Smooth Fox Terrier, Beagle, Toy Fox Terriers, Whippets and Italian Greyhounds. From 1910 until the dust bowl era of the 1930s, the Rat Terrier was one of the most common farm dogs, used for rating, varmint hunting and other work. This loyal, active and playful race is at its best as a member of its human family, but may be reserved with strangers. Intelligent and trainable, many Rat Terriers excel in Agility and Obedience, events that also serve as excellent exercise outlets. The breed spills seasonally and requires brushing with a soft brush or rubber curry mite. Varied class; Designation of the Terrier group. Two sizes: Thumbnail – At least 10 inches high on the shoulder, do not exceed 13 inches; Standard - more than 13 inches, and even 18 inches of height measured on the shoulder. Usually 10 to 25 pounds. In 1997, the farm and companion dog government. If this is the first time you visit our site, each LPB state page (which is short for local puppy breeders) has a complete list of every local breeder we've identified in that state. You will be able to find all your current contact information, as well as a link to their website, so you can see which puppies they have available for sale. We provide you with all this information so you can research each breeder individually and find what has your perfect puppy available! Tenacious and friendly, the Rat Terrier is confused with jack Russell Terrier's similar look. However, this ancient poison hunter is very different from his cousin Terrier in both personality and activity level. Happy and calm, the Rat Terrier can quickly adapt to different levels of activity and seems as happy resting as running in the yard. Adapted perfectly for almost any family, this breed can make an ideal pet for families with young children as well as independent adults. Early socialization is important, however, as they can become unearthed and difficult to form if socialization is neglected. For tons of more interesting information about the breed, check out our Rat Terrier breed info page!3 Top-rated Amazon Articles for New Rat Terrier owners If you can't find the exact type of Rat Terrier puppy you're looking for in your state, see below for ads for links to breeders in nearby states who may have just what you're looking for. We are so happy that you have chosen local puppy breeders to help you find the puppy of your dreams. In addition to visiting us often here, you can check us out on Facebook, Twitter and Pinterest for more information, images and videos. Rat Terrier Puppy Breeders at Kansas Breeder NameCityStatePhoneEmail B&& S Kennels Olpe KS (620) 475-3725 ¶Information of a broken link or other error here. Rat Terrier Puppies-like breeds: Mini Pinscher Boston Terrier Fox Terrier If you've never had a Rat Terrier before, or are looking for more information about the breed, check out our Rat Terrier dog breed info page. We hope this place will help you locate the perfect breeder near you. However, please note that while we have the largest directory of dog breeders on the Internet, we cannot personally attest to any individual breeder we list. Be sure to thoroughly check yourself out to make sure you are honest, ethical, and raise healthy and happy puppies! Puppies!
