Be more chill bootleg

Edit Comments Sharing Legal Things All listed here are easy things to find online, and this page was created to prevent fans from getting virused, duped, etc. We don't promote the use of bootlegs but Be More Chill is no longer featured with the original cast and is unlikely to be seen any other way. We don't have and haven't created any bootlegs. If you are involved and working with Be More Chill and want this page edited, feel free to comment on either how to contact you or what you want to edit/remove, but prove you are involved with musicals and not just trolls. We'll be happy to edit this page and work on something on your request. Thank. On October 27, 2017, YouTube user Adrien uploaded the first 35 minutes of Be More Chill. You can see the video below. This is a bootleg of the actual content of the event, in addition to trailers and video creation. It has a real cast. On March 3, 2017, user -adrien- uploaded a full BMC bootleg from the revival cast of Exit 82. The camera will be covered many times, so many scenes are just audio. Recently, users of sqiggle doodles uploaded a bootleg of the Australian actor. It was divided into two parts, the first of which was from More Than Survive to An Upgrade. The second from Halloween to Voices in My Head. There are also various recordings of school productions on YouTube as well. You can usually just look for them. Here's an example of what you can look for: college production becomes cooler Audio[edit | edit source] This is the full audio for og BMC production: This is the full audio for BMC's NYC Revival 2018: Be More Chill Play[edit | edit source] A drama based 100% on the book (Uploaded by Ned Vizzini, author of the book) Music Video[edit | edit source] On January 12, 2018, tworivertheater uploaded a music video for the song The Pitiful Children using high-quality clips from the original cast production. Later, vlamcake users upload videos using some of those clips, but add the original audio they should have. 2018 NYC Revival[edit | edit source] On August 31, 2018, user A n d r o m e d a uploaded two NYC Revival videos. The first video is the first action, from More Than Survive to Loser, Geek, or Whatever. The second video changed from Halloween to Voices in My Head. Edited versions of the same bootleg also exist. These splices both act together and enlarge the recording so you can see more clearly. 2019 Broadway[edit | edit source] As of September 2019, there is already one bootleg circulating on the internet. It was removed shortly after it was uploaded on YouTube and only a few people were lucky to download it. On September 26, 2019, users uploaded 9 minutes Jeremy Thorne + More Than Surviving the Broadway run. The date of recording is unknown. Shot from the balcony. Etc.[edit | edit source] If you find that any of these links no longer work, please comment. Feel free to add more content, but don't add shortened or suspicious links if possible. Trusted links such as YouTube and Tumblr links are preferred. Note: We recently got a lot of the same comments about bootlegs being removed from YouTube. Remember that you can also easily search for cooler bootlegs on YouTube and insert a link to this page. Community content is available under CC-BY-SA unless otherwise stated. More Chilled (Musical) Wiki (Talk) My new aesthetic is the names people give on YouTube to bootlegs so they won't be demoted. What's a bootleg I've never heard of them my favorite new trend is people posting bootlegs on youtube with inconspicuous titles Repeat after me: Professional recording of musicals is key to musical theatre revival in popular culture concepts: websites like Netflix but for professionally filmed Broadway/West End musicals Hey, this is really like Being More Chill. Here are some BMC things. BMC girls. BMC boys BMC cast and crew. Jeremy in front of popular kids and Mr. Reyes. Jeremy and Michael during the Two Player Game. Jeremy and the Squip during Pitiful Children. Hey, Hamlet! Be colder. She likes to play dress rehearsals. Because it's the best! Because it's fun. Rich tells Jeremy about Squip during the Squip song. Jenna, Chloe, and Brooke. Jeremy asks Rich if Squip is like drugs. Jeremy shows Jenna a nasty tic tac. Jakey D and Rich. Michael. What a boy. Chloe's my girl. Jeremy and Michael for over Survive. Mr. Heere and Michael during Pants Song. The Squip Enters. Do you want to Ride? Jumpy Jer. He doesn't want to be heeeeOOOO. Two Player Game. More Than Survive. Jump jump. Michael's in the Bathroom. I'll throw a rope, homeslice, if you need some dope advice. BMC was my first Broadway show and I've been looking for bootleg for a while to get a chance to watch it again. I already have boots from every other version (Two River 2015, Exi82 2017, Signature Theater 2018 pre-Broadway cast). Please no public youtube links (unregistered usually hide under the radar for longer so it may be fine) as it is always taken down quickly. I am willing to trade something from my large collection or help you keep track of something if you want. Thank!
