This theme was as clear as part of the real world and should therefore not be taken as part of the fictional universe of the Kung Fu Panda franchise. June 3, 2008 (North America) Kung Fu Panda: A video game that can be based on the same movie. The game was released on various platforms on June 3, 2008. [1] Plot Synopsis You are embarking on an epic action adventure based on dreamworks animation film Kung Fu Panda! Then go through the movie when you experience kung fu super, like never before on your hunt to become the legendary Dragon Warrior. [2] Summary This section is a stub. This section is missing content. You can help by adding them! The game revolves around Po (Mick Wingert), a giant panda who dreams of becoming a great Kung Fu fighter. Unfortunately, his weight and awkwardness make this ambition out of reach. However, he soon wanders into the path to save the country from a good snow leopard named Tai Lung. But also joining are the forces of the Wu Sisters snow leopard, the Great Gorilla gorilla, the Blackhoof Boar clan, the wild and the imperial golden crocodile gang of oriental alligator. Furious heels also catch different gangs, only to be rescued by Po. Gameplay Add caption! Kung Fu Panda: The game is aimed primarily at children and is based on the film Kung Fu Panda. The actors initially control Poo, who differs from the film in that he has a basic level of martial arts from the beginning, allowing him to take part in the battle. In addition to fighting and jumping challenges, maintaining balance is another important element of the game, such as crossing the narrow part of the Po, staying on moving platforms and using it to steer the boat through a dangerous river. V Narrative game, the player improves Po's skill by adding a variety of new combat techniques and special moves, although in some parts of the game the player will have to accomplish tasks as another character. After collecting many coins at the end of each level, the player has the option to buy upgrades to Po's moves and health, as well as a different set of new outfits. Eventually, as the player progresses through the game, they will be able to unlock other characters, including master Shifu and members of the Furious Five (a team of elite fighters each with their own martial styles and mini-games). In addition, the player will be able to use objects and weapons when he fights. In addition, After before each new level tells a continuation of the story, while the words scroll up the screen. In the Wii version, the Wii remote control is used to perform moves and skills such as Wuxi Finger Hold; in the PS3 version, the sixaxis controller motion sensors can be used to control Crane in missions, where players play like him, while in the Nintendo DS version, while the D-pad moves after, the touchscreen is used primarily for combat moves, in the style of the DS version of Spider-Man 3, which was also developed by Vicarious Visions. [3] Voice cast Reception Game received generally positive reviews from critics. The Xbox 360 version received 6.5/10 from Gamespot[4], and Metacritic received a rating of 75/100 from 42 reviews. [5] He also scored 7.5/10 from IGN and was described as fun and polished on IT reviews. [7] Information about Blurb Games Based on the film from DreamWorks Animation. Kung Fu Panda: The game takes you on an action-packed adventure from the film and beyond. Fight Against Tai Lungu and his servants, navigate great environments, and overcome danger obstacles on your way to becoming a legendary Dragon Warrior. Experience kung fu scary in a unique action/adventure — Defeat of mighty bosses such as Tai Lung and enemies like the Great Gorilla as you adventure across treacherous terrain to fulfill your destiny as dragon warrior. Team up with or fight your friends in multiplayer mode — Play with your friends to beat hordes of enemies or provoke them to head-to-head fight in multiple battle arenas. Play like all your favorite characters — Perfect your Kung Fu skills as you play as Po, Shifu and Furious Five, each with specialized martial styles. Characters After — Play as a Po, the unlikely hero of Kung Fu Panda: A game like going from a Kung Fu fanboy to a ultimate Kung Fu Warrior. After developing his unique style of Kung Fu based on strength, weight, awkwardness and size. Po's Kung Fu style includes moves such as Panda Stumble, Iron Belly, and Panda Quake, which can devastate enemies. Get ready for Kung Fu-Panda Style! Shifu — Shifu is very good at training the best Kung masters in Chinese. Not only does he have great wisdom and power, he is also an accomplished Kung Fu guru and has lightning fast burst speeds. Shifu trained Furious Friday in Kung Fu, but they'll still rely on his help when they're in trouble. Shifu can use his amazing jumping skills and lightning fast Kung Fu to pull off amazing moves and rescue many enemies. But shifu may not be able to escape Tai Lung without your help. Tigress — Tigress is a fluid and powerful Kung Fu master who does not hesitate to let go of his hard-hitting Tiger style Kung Fu. Use her powerful claws of rage, jumping and swirling to take on opponents several times her size. Monkey — Monkey's brand of kung Fu includes acrobatics such as jumping and climbing. With his strong tail, he pulls out powerful attacks in a rush of rapid combat movements. With the help of tail, big jumps and fast Kung Fu, he is also able to get to places that Po can't. Viper — As a master of the Kung Fu style Viper, Viper surprises his enemies with a toxic mix of charm, grace, and spring-loaded combat power. Use it to touch Tai Lung and turn your power against him. Crane — Crane is a cool head Kung Fu master who uses his fast fly to surprise enemies and carries friends and rabbits to safety. His flying skills will come in handy to fight enemies in the air, and he may be the only one who can quickly help Po escape from certain danger zones. Mantis — Unca for unco, no one packs more punches than Mantis, a little Kung Fu master whose size allows him to approach and strike with precision. With your small size, you could get a drop on Tai Lung. Tai Lung – Dark-hearted Tai Lung was jailed for 20 years, but now that he has escaped, he is determined to claim that the title he feels is rightfully his. You will need the power of furious fives, the wisdom of Sifu and Po's special abilities to defeat him. [8] Raven Valley of Peace — Valley of Peace is home to Po. In the game, you play in Po's awesome dream of becoming a Kung Fu master! Use your powerful Kung Fu skills to protect the village from bandits. Training hall — This is the hall where The Shifu Teacher trains the Furious Five, and contains rooms based on Earth, Wind, Water and Fire, each with its own tricks and traps. Jade Palace — The fantastic jade palace has huge, reflective halls and giant pillars of the alreadyas, besieged by intricate details. The palace has legendary relics from all its history, including the Dragon Scroll, which finally holds Kung Fu's secret, the key to unlimited power. The palace has been standing for a long time, but what would happen if it was attacked? Who could defend her? Lake tears — A peaceful and peaceful lake, located deep in secluded mountains. Crossing reflective pools of water is difficult, and Fast jumping over lily-pads and small islands. The descendants of Oogway, the blue turtles, live in coyote here. But the notorious Croc gang isn't far away. If they see an opportunity, they can try to seize the power and take over the Lake of Tears. Wudang mountains — Majestic Wudang mountains rise steeply and pierce the very clouds. Connected only by bridges are intricate terrain to cross. Rumor has it that master Shifu's power is so great that he can jump over the big chasmes that land on the clouds. That would be helpful if it were true. Tai Lung's Training Grounds — Somewhere hidden in the mountains are the soil where Tai Lung himself trained. Locked away from other sand howl in the evening in front of the giant wolf statue. Who knows what secrets this area has? A Kung Fu warrior as dangerous as Tai Lung must have some deep secrets to unlock until his minions protect Tai Lung's Training Grounds. [8] Features of Po's Kung Fu Style — Po develops her unique Kung Fu style based on strength, weight, awkwardness and size. Po's Kung Fu style includes moves like Panda Stumble and Belly Blast, which can devastate enemies. Block, dodge and counterattack use the best Kung Fu possible. Use various quick and powerful attacks to create devastating combinations and omit a massive Panda earthquake (using Po's weight to slam enemies). Enemies — Defeat the fears of bosses many times your size as the Great Gorilla and the Wild Ox. An adventure across the setting terrain to fight a number of skilful enemies. Face the baddest ninja cats, wu sisters. Perfect your Kung Fu skills in preparation for the final showdown against the dangerous Kung Fu master, Tai Lung; the enemy behind all the problems in the Valley of Peace. Multiplayer Mode — Play with your friends to beat hordes of enemies or challenge them to head off fighting in multiple battle arenas. Fall into puzzle games with your friends to challenge your mind. You have the opportunity to play your favorite characters from the story mode, such as Po, Tigress or Shifu, as well as some enemies such as the dangerous Tai Lung, wild Ox, and the most bad ninja cats around, Wu Sisters. Collection — Collection of Kung Fu action figures furious Five scattered around the world. Grab gold coins to buy upgrades, costumes and more. Build your chi out of the search for energy left by defeated enemies. Special coins, Kung Fu ability rolls and even Po's favorite biscuits are hidden everywhere. There are even weapons that Po can use hidden on some levels. You will need to explore great levels to find all the hidden collectibles and coins. Upgrades – Upgrade kung fu abilities. Learn new scrolling moves. Use gold coins to upgrade the Po and make your attacks and moves stronger. [8] Sequel A sequel to the game called Kung Fu Panda: Legendary Warriors Was Made Nintendo Wii and DS gaming systems. The second text, Kung Fu Panda 2: The Game, was released on May 24, 2011 for Kinect for Xbox 360, UDraw GameTablet for Wii, PlayStation 3 and Nintendo DS.
