Not like as a controlling oil as a regular ELDW. The color matches well, I'm an NC50 and... LiquidCosh Tue 03-Jul-18 19:06:19 I spoke online today with a representative of Estee Lauder and they told me that the DW light had been lifted. I can't understand it because I thought it was a really popular choice for people who didn't want full DW coverage? OP posts: | LiquidCosh Tue 03-Jul-18 19:08:17 Also for anyone wearing it in shades 3, 4, 4.5, 5 or 6 John Lewis have reduced it to £22, it must be to get rid of stock. Not good for me unfortunately because I'm pale as ghost OP posts: | OneNightTimeMenaceStrikesBack Tue 03-Jul-18 19:19:09 NOOOOOOOOOOOOOOOOOOOo!!! I just can't wear the original double clothes, it's like a mask on me, but the double light to wear was just right and the color was just right for me, I'm very pale so I'm having trouble finding the shades of the right color for me. Guttred, now I'm going to have to start hunting to find something like or almost as good again LiquidCosh Tue 03-Jul-18 19:23:01 I know I'm the same, really pale and doesn't like the cake feel of double clothes. They still have some available on Boots and Debenhams websites etc, but I'm sure it won't take long when word gets out! OP posts: | OneNightTimeMenaceStrikesBack Tue 03-Jul-18 19:28:11 I use a shade of 'intensity' 1.0, I am too pale for anything more than that. still full price on boots though. Shame John Lewis do not have one and use BillStickersIsInnocent Tue 03-Jul-18 19:40:03 No! I love these things, it's perfect. I found out about it here years ago and I've been using it ever since. LiquidCosh Tue 03-Jul-18 19:46:44 To use even a shade of intensity 1.0, the albeauty website has it for £29.95 which is a small saving, but I'm not sure if they charge for delivering OP posts: | OneNightTimeMenaceStrikesBack Tue 03-Jul-18 19:59:56 If I remember correctly, allbeauty make free shipping if you spend more than £20. they usually do at least trigger2 03-Jul-18 20:00:34 Aw no, I loved DW light :- ( The original was too heavy for me. Why did they do it? CutesyUserName Tue 03-Jul-18 20:10:26 For those who prefer DW Light, just add moisturizer or sunscreen to DW to make it easier to cover. AdaLoveless Tue 03-Jul-18 8:30:56 P.M. I just bought them today. They just broke the old line of 'shade intensity', I think, and now you're buying it in the same shades as completely double wear. At least that's what Estée Lauder's wife said at my local Debenhams. User1471546359 Eamps 03-Jul-18 20:33:06 A lady at John Lewis said at the weekend that they are bringing a new double wear light 'hydramatt' (replace the current one) which is almost the same, but in multiple shades. I hope there's no room to panic LiquidCosh Tue 03-Jul-18 20:34:50 Hope so Ada but I spoke to Estee Lauder's rep on their online chat facility earlier And she said she wasn't available at all anymore. Not on their website as an option a good idea about adding moisturizer or sunscreen.... Do you think those foundation drops would work? OP posts: | LiquidCosh Tue 03-Jul-18 20:35:52 Aah user who would make more sense because I'm sure it's a really popular foundation and there's no point in interrupting it completely. OP posts: | AdaLoveless Tue 03-Jul-18 20:36:34 Well, I bought a bottle new today, so it definitely exists! I think it was literally new today, from what the el person said. LiquidCosh Tue 03-Jul-18 20:36:37 Has anyone tried on a double outfit naked? OP posts: | LiquidCosh Tue 03-Jul-18 20:37:28 That's good news Ada, have you tried it? OP posts: | SorrelForbes Tue 03-Jul-18 21:20:41 Doublewear Nude Water Fresh is beautiful and (IMHO) gives a more natural look. Phalanx Tue 03-Jul-18 21:57:32 Have you tried the Estée Lauder Pillow Stick. It's lighter coverage than normal double clothing. I like it for the summer and sometimes mix it with Doublewear. LiquidCosh Tue 03-Jul-18 22:53:31 Oh they both sound good, I wish I had the money to buy them all, try them then I see which one is the best, but I do op posts: | SorrelForbes Wed 04-Jul-18 06:38:17 At el counters you can definitely get small bottles of samples. Warsaw0912 Wed 04-Jul-18 06:46:38 Yes, I also spoke to one lady at the EL counter at the weekend and she said they take old bottles and are replaced with the same formula, but with the usual DW colors, not just the intensies, which I am most excited about!! She said that in stores a week after the next one here (midlands) AdaLoveless Thu 05-Jul-18 10:30:35 He tried a new one today and it seems exactly the same as the old DoubleWear. LiquidCosh Thu 05-Jul-18 11:05:20 That's really good news Ada! Have you just bought in the usual shade that you will wear in double clothes? I think my name was ecru. OP posts: | trigger2 Thu 05-Jul-18 11:06:59 I just asked on web chat and this is about dw light matt: Page 2 To use this feature subscribe to Mumsnet Premium - first access to new features you see fewer ads and trust Mumsnet.
