Using all means to decode or otherwise obtain restricted passwords or asset control information is prohibited. Forging the identity of a user or machine in an electronic communication is prohibited. Saturating network or computer resources to the exclusion of another's use, for example by overloading the network with traffic such as e-mail or legitimate (file backup or archive) or malicious (denial of service attack) activity, is prohibited. Users understand that wireless Internet access is not in itself secure, and users should adopt appropriate security measures when using the Service. We strongly discourage users from conducting confidential transactions (such as online banking, credit card transactions, etc.) over any wireless network, including this Service. Users are responsible for the security of their own devices. Wireless network access restrictions: We are not responsible for any damage, unwanted use of resources, or adverse effects that may occur to a user's device and/or software while the user's device is connected to the Service. The User is responsible for any action taken by his or her device, whether intentional or unintentional, that harms or otherwise affects other devices or users of the Service. The User hereby absolves the Company of liability for any loss, damage, security breach or damage that the user may suffer as a result of his access to the Service. The User agrees to be solely responsible for such loss, trespassing, damage, or damage. Terms of Use: By clicking the accept button, below, the user agrees to comply and be legally bound by the terms of this Policy. If this Policy or any terms of the Service are unacceptable or unacceptable to the user, the user's sole right shall be to terminate their use of the Service. Legal use: The Service may only be used for lawful purposes and in a manner that we believe to be consistent with the rights of other users. The Service shall not be used in a manner that would violate any law or infringe any copyright, trademark, trade secret, right to publicity, privacy rights or any other right of any person or entity. The Service shall not be used for the purpose of accessing, transmitting or storing material deemed obscene, defamatory or defamatory. Illegal acts can expose users to prosecution by local, state, federal or international authorities. We may bring legal action to compel violations of this Policy and/or to collect damages, if any, caused by violations. The user specifically accepts the following terms: The User will use the Service only permitted by applicable local, state, federal and international laws. The User will refrain from any actions that we consider to be negligent or or The user will not send e-mail containing viruses or other malicious or malicious software. The user will run the appropriate antivirus software to remove such malicious software from his or her computer. The user will not access websites that contain material that is grossly offensive to us, including clear expressions of bigotry, racism or hatred. The user cannot access websites that contain material that dewilly, abuse, or threaten others.
