LeManna/Getty Images When it comes to the excitement of getting a new puppy, there's plenty to consider - is the right breed for you and your home and have you properly prepared for the newest member of your family? Perhaps the most exciting thing is that you choose the name of your new best friend. Now you could be from school of thought that believing a dog will be the same no matter the name, or maybe you feel strongly about having a specific and unique name. It's important to remember that when it comes to the way that dogs process sound. In general, hearing hard consonant (such as ck or g) and long vowel (ee or oo) will be much easier. Usually, dog trainers recommend one or two-word name, as it's easier for your dog to identify it. Your dog may come with a pedigree name, which is longer and contains more puns. If so, it's worth looking at how to shorten it to make your life a little easier. GeorgePeters / Getty ImagesYou'll be saying your dog's name a lot, so it's important to make sure that you have a name you don't feel sheepish about calling in a public place. It's important to remember that you also want to be able to take your dog's attention, without confusing him in the meantime. This may also mean avoiding names that appear to be popular commands, so as not to burden or mix up your four-legged friend. Ideally, if you want to steer clear of homophone reasons for sitting, staying or not, gollykim/Getty ImagesIn general, the most popular place for people to see a dog name is popular culture. In fact, according to some surveys, one of three pets receives their names from a television show, book, movie, or video game. It can be the name of a famous dog in the series, such as Sirius or Padfoot, or the name of someone's favorite character. Which leads into other most popular species of dog names - slightly over 35 percent of pets get given a traditionally human name, which is perfect if you want a name which amounts up to your dog's character. SolStock/Getty Images It's important to consider whether you'll be trying to call your dog's name, sometimes trying to get your attention on the other side of a dog park, which is where you might be confused once you've gone by a super-popular name. After the success of Game of Thrones, some dogs are expected to be named Tyrion or Bran. But remember, if you call your dog, you don't want anyone else running. PhotoTalk/Getty ImagesWhen it comes to picking a name for your new buddy, there are plenty of lists out there with the most popular boy dog names. The AKC will draw up a list of the most popular names per year, although we find that these names, especially that of slaughter every year: MaxCharlieCooperBuddyJackRockyDukeBearOliverTucker Capuski / Getty ImagesRemoving a few things when it comes to the name of the dog. First, does your dog have a different personality? After all, a little like people, you might not expect Walter to behave exactly like a Chad.If you name a puppy, you can try his name for a few days to see if he takes it properly. However, the older your dog is, the harder it will be for them to learn a new name, and the last thing you want to do is to confuse them. This is also true for rescue dogs, so it helps to be decisive about it. arms2007 / Getty ImagesThe one way to get the right name for your boy puppy is to consider how it looks. While it can be really obvious with this, as the choice of Dottie is a Dalmatian, it can also go for something a little unorthodox. If you have a chocolate Labrador, for example, why not take Hershey? Or you can do the absolute reverse. Is your dog going to be a 197-pound Dane? Tiny can be a great name for a big dog. Or if you have a tea bag chihuahua, you can always call menace. GlobalP/Getty ImagesA bit like the Clintons or the Beckhams, you might choose to laugh at your puppy or rescue dog after all Place. You saved your dog in Brooklyn? Or maybe you found Indiana's indian breeder? You also have a cheeky inside prank for you and your family, and your dog. Does your best friend like to chew on your shoes, or did he once want an expensive bag? Why don't you call him Jimmy or Louis? gradyreese/Getty ImagesIt may feel that you want to combine your love of the new dog with one of your favorite musicians or writers. Here you'll find some dogs more likely to have names attached - a British Bulldog named Winston is quite popular after Winston Churchill. Maybe after the 1990s movie, you can name St. Bernard Beethoven. It also can be worth doing a search for famous dogs through history, and see if any of those names take your fancy! primeimages/Getty ImagesIf you're hoping to have your favorite creature and favorite hobbies or collections together, you might want to consider an unusual take. Like, are you a fan of champagne? Dom or Bolly (short for Bollinger) can be a great take. Or maybe you're the fancy cheese where Roquefort or Jarlsberg could be a big name for their four-legged friend. There really is no limit as to how you can pick a name, and taking a bit of time and effort now will help your canine companion stand out in the dog park. digihelion / Getty Images
