Outstanding Investor Digest (OID) I would advise you to subscribe. I read every issue religiously. Anyone interested in investing who doesn't subscribe makes a big mistake. - WARREN BUFFETT If you are interested with OID, please read these instructions carefully. June 7, 2017 update: CAUTION ! OID seems to be unresponsive ! See and All the best, Eric futile.free.fr -----

OID Mission : My opinion : OID really gives you a healthy base for your own investment reflection. In my humble opinion, OID is great material to help you think about important financial facts. A few questions and answers (Q&A) : Q1 : I advise you to subscribe to OID. OK, but did you see its price (\$295 see A4)? A1 : Ok don't worry ! With OID, you will receive a lot of value as the price you will pay ! Just compare the annual fees you pay to your financial advisor for bad ideas ! Futhermore they print an OID issue only if they have something worth reading ! For example in the 07/00 edition of OID there was an article from Jeremy Grantham that only gave me the price of 10 OID issues worth ! Why? Because if it rules me to make a costly mistake with my portfolio, the refund price of OID is quickly refunded ! Q2 : Ok. But sometimes I can find part of OID articles on the web for free (e.g. A2 : Yes. But again, for example, in the 07/00 OID issue, the links of the Longleaf Partner Funds found on the web for free (only the audio annual meeting, not the transcript!) are just a little value sharing (pages 3 to 18) of the entire OID article (pages 3 to 36). IMHO, the OID special interview (pages 18 to 36) was a very added value article. In fact, it gave me a lot more value than only the annual meeting. Note: That's just my humble opinion ! ;-) Q3 : I haven't been evicted yet ? A3 : Why don't you read some free excerpts from OID ? Just go here ! You can also take a look at a coverage here Q4 : Ok I believe you. But where can I sign up? A4 : Just go here. I advise you to choose the Automated Credit Card Renewal Program. It costs you \$295 for the reception : [10 OID issues of 32 pages] + [OID online full access : audio files, some full previous issues,...] + [200 free pages of past issues] + [possibility to cancel before 60 days (in this case you keep the 200 free pages for your -:-)) or whenever you want ! When you use your (will press, don't forget to add my name, Bd Bd to this question: How did you hear about outstanding investor Digest ? or this one How did you find out about our website?. IMPORTANT: When you subscribed to OID, please send me an email () by including your real name. If you don't, I won't know exactly who you are, for, at least, thank you ! Q5 : Why do you recommend adding your name in the OID form? A5 : If you give my name when you sign up, I'll receive 4 issues for free -:-) Thank you so much ahead, Faithfully Yours, Eric Click here to go back The Turnaround Letter Value Investment Ideas That are impressive about both Schloss and Warren Buffett is their ability to have a good year, even in a down year for the market. (You can also see why Buffett is a legend. His performance speaks for itself. Sure there are plenty of ups and downs, but even his 'down' years are positive.) Look at the chart. This proves that you can do well independently of the market. Now what's most impressive about Walter Schloss' record is that he didn't have a college degree. So how did he do it? You don't have to chase complicated stocks or situations if you don't understand them. Redditors, a few years ago there was a very reliable periodical (actually when I was a kid) that had many authoritative figures in the financial world filing articles. This periodic, the Outstanding Investor Digest (OID) is no longer published, but the lessons carried in them carry tremendous weight. Redditors, I need your help in tracking it if I'm sure the knowledge contained in them will be of great value to us and the world. Would you have been exposed to that and would it be possible for us to track them down? Thanks a lot! Download Add a review and share your thoughts with other readers. Be the first.
