No claim of ownership or responsibility for such goods is hotelsrate.org in any way, and you must seek legal consent from its owner for any use of such materials. Copyright © 2017 HOTELSRATE.ORG - All rights reserved This product contains 2 labyrinths with 15 problems for a total of 30 multi-step equations. Can be used for additional exercises or homework assignments. Labyrinths are self-examining and a great way to practice math concepts. The maze provides scope to the students in front of the sheet so that all the work can be shown. No preparation - just print. Includes the answer key. Printer friendly - black and white, no clip art or borders. **Some problems can be variable on both sides. ** Read more report a problem problem
