Retevis rt628 instructions

Does it have backlighting? Did the headsets match? Niva offer a version of the UHH? NOExcept USA. Can it be used in other EU countries? YESDo you matched earhook with microphone and speaker? YESIs it fits with T6200C plug?NO, you should use professional earhook-C2071A.How to restore factory settings? Pls press the RESET button for a few seconds. Both RT628 radio couples have the same channel, why couldn't they talk to each other? Press MENU first until the LCD screen shows the numbers sparkling at the top right, and then select the same number, finally pressing the PTT button. (Numbers mean CTCSS/DCS) How many channels does RT628 radio?EU frequency — 8 channels; Frequency in usa — 22 channelsIn it has CE and FCC certificates? So, Manual Chinese or English? EnglishHow long a range of communication is it?It's 5 miles in open areas, but it's 400-1,000 meters within the bulling and blocks of the city. Does it include an earpiece/earpiece? No, you should buy it separately. Does it have a VOX function? YesDoes he has programming software? Could it be a written frequency as I like? No software is offered, it can not be written frequency as you like. Why does the lcd screen frequency jump? Pls press the POWER button for a few seconds to disable the SCAN function. (Note: Press the POWER button for a few seconds to enable or disable the SCAN function) Does it have a call alert button? that is, click the button to warn someone. ? Yes, press the MON button for a few seconds to turn on, the radio with the same frequency will be notified. What are the differences between RT628 with EU frequency and RT628 with US frequency? Only the difference with different frequency and different channels. RT628 with US frequency,22CH, But RT628 with EU frequency, 8CH. They are both local legal citizen frequency range. US radio frequencies can be used in EU countries, and EU frequency radios can be used in US countries. More details, pls check Official RETEVIS RT628 radio: Frequency TableChannel12345678(446.00625-446.09375MHz)Frequency446.0063446.0188446.0313446.0438446.05625446.0688446.0813446.0938USA Frequency TableChannel12345678910111213142 PCS RT628 Rechargeable Kids Walkie Talkie FRS Band Description: This item is suitable for short-distance communication.
