Mini clip commando

Commando is not currently available in bumper games. We use Ruffle to emulate Flash content, but it doesn't work for all games at the moment. Over time, we expect more and more flash games to be a game again. Thank you very much for all your years of support and enjoyment! In the meantime, please enjoy below a selection of HTML-based games and Ruffle-emulated Flash games that will also shake your socks. Please see our information post for more information: The future of flash bumper games. We may use cookies to personalise your experience, including analysis and ad serving. Learn more Edit Share The Commando Series is a collection of action games from Miniclip. So far, 7 games have been released, 3 of them have been activated globally on the leading player boards, and 4 have player awards on the Miniclip website. Most of them have appeared on the Board Top 10 games of Miniclip. Edit | [edit source] [edit | edit source] The Canyon Shooter, Dino Strike and Western Front 1914 games are not part of the series, but use similar weapons and bonus drops and have similar overall graphics. The Canyon Shooter game also uses the same music as Commando 2. External links edit | edit source] Edit | edit source] Mini-slip banners | editing source] three |via Many of the enemies, bosses, and even some of the sound effects are based on Metal Slug. Graphics like characters and explosions are also taken from Metal Slug. Another important source of sound effects heard by Counter-Strike. Gunshots, pistols and even the sounds of the heroes' deaths are starting to be heard there. The article is available under CC-BY-SA unless otherwise specified. There are no prizes for this game!
