Logan township swim club

YOUNGSTOWN, Ohio - The Youngstown Jewish Community Center has taken over the operation and management of the Logan Swim and Tennis Club, 3245 Logan Way in Liberty Township, the center said. The club will be renamed the Jewish Community Center Logan campus when it opens in May. The Jewish Community Center looks forward to carrying out our mission by convening strategic partnerships with the North Side community, JCC Executive Director Michael Rawl said. The addition of the Logan campus to JCC's offering is an important focal point of the Beyachad Youth and Family Initiative. Rawl said beyachad, the Hebrew word for coming together, remains an important part of JCC's mission to develop relationships to the north side and emphasize families. Facilities at Logan Swim and Tennis Club include a swimming pool, tennis courts, shuffleboard and bocce courts, and a concession stand. New managers are planning improvements to the club. JCC, which operates its main campus at 505 Gypsy Lane, also announced that it had reduced the price of JCC family membership by \$200, creating new school sane programs such as the JCC School of Dance and JCC School of Music, as well as the JCC Swim Team.
