The commission's task is to maintain permanent records of specific results for secondary studies. With the promotion of technology, there has been an increase in the reproduction and presentation of 'authentic-looking documents' from fraudulent persons presented to potential employers or institutions. The OEC's Records & amp; Information Department serves as a repositing place for information on graduate exam results from 1943 (Cambridge) to the present. Employers and institutions are therefore advised to carefully review documents from potential workers/students and to take advantage of the OEC's ability to verify results. This institute provides transcripts for exams sat with several investigative bodies, including: Associated Examinationing Board (AEB): Ordinary (O'Levels) Advanced Level (A' Level) Caribbean of Secondary Level Competence (CCSLC) Caribbean Secondary Education Certificate (CSEC) Caribbean Advanced Proficiency Examinations (CXC) CAPE) GCE Cambridge (now CIE): Ordinary (O' Level) Advanced Level (O' Level) Advanced Subsidiary (AS) GCE London (Now Edexcel): Ordinary Level (O' Level) Advanced Leve Examinations Board (RSA) Southern Examining Group (SEG) Union of Lancashire and Cheshire Institutes (ULCI) so desirous, the Office of Overseas Investigations sends a certificate of your results to an educational institution or to a place of work on your behalf. To get this done, an application and payment must first be made for a print request. Download the attached document to learn how to request a printout. The OEC provides performance checks to organisations wishing to confirm the qualifications submitted to them by employees or potential staff. Such institutions may submit written requests to an official letter manager, signed by an authorised officer and affixed with the company's seal. Requests shall be accompanied by a copy of the document submitted by the applicant to be verified (e.g. provisional results, cv, certificate or transcript), as well as a signed agreement by the applicant to be verified (e.g. provisional results, cv, certificate or transcript), as well as a signed agreement by the applicant authorising the carrying out of this background check. The transcript Request Form can be downloaded and sent for verification of the results to: The Executive Director Overseas Studies Commission 6 Manhattan Road Kingston 5 1.
