Destroy more icy things with your cannon in this Learn to Fly-inspired idle game! Learn to Fly Inactive is the third game in the Learn to Fly series. The first screen in the idle game. Content[show] Gameplay Learn to fly inactive is an inactive game, as the title suggests. It requires you to go out and destroy obstacles with a cannon. Basically, the game requires you to click to shoot each shot, but using an automatic click upgrade built into the main tab, you can leave your computer idle to play. Storyline Learn to Fly Inactive takes place after the events of Learn 2 Fly. With our mascot absent, filling another mascot in for him and through equipment upgrades, he takes out various enemies with a cannon and is eventually able to defeat Dodo Home 666. Changes This game introduced Research, which allows you to get more upgrades on top of the upgrades provided in the main game screen. Research Points effectively made this feature replaced by the Learn 2 Fly bonus store. Inactive gameplay, which allows the player to leave the computer running while playing for extended periods of time. Space gameplay, which still had gravity despite being ... Space.
