TEMPORARILY CLOSED Long considered the best buffet at Lake Tahoe, Forest Buffet on Harrah's Lake Tahoe provides an already great dining experience to an even higher level of excellence at the 18th Floor. Year after year, Forest Buffet was named Best Buffet in the Annual Best of Tahoe Reader's poll conducted by the Tahoe Daily Tribune. In addition, Casino Player readers recently selected it as Lake Tahoe's best buffet. Join us for our special night themes: Wednesday-Italian Night Thursday - Tex-Mex Night Friday- Seafood Night Saturday- Seafood and Steak Saturday and Sunday- Champagne Brunch (up to 3 glasses of champagne). Check out Forest Buffet on Instagram: Thank you for your recent visit and review. We understand that you have options when it comes to gaming/entertainment and we are pleased that you have chosen us here at Harrah's Lake Tahoe! We are pleased to hear that you have enjoyed our location, entertainment, pool, dining, games and other local facilities. We look forward to future opportunities to serve you. Thank you! Ever since my review of the Bacchanal Buffet at Caesars Palace, I've been asked how Bacchanal Buffet differs from the standard Caesars Entertainment buffet. This is the answer, in the pictures. The Bacchanal buffet is better to be different and better than the standard Caesar buffet. The Bacchanal Buffet is \$70 on weekends compared to \$14-\$20 for a standard Harrah buffet. I visited Harrah's Lake Tahoe and photographed every dish on Harrah Lake Tahoe. All harrah's and Caesars Palace casinos are owned by the same company, which is Caesar's Entertainment. After visiting Harrah's Lake Tahoe, I compared the buffet at Harrah's Lake Tahoe to Harrah's Las Vegas and found that Harrah's two buffets were very similar. If you have any questions or comments, feel free to leave them in the comments section below. First, the salad bar... The sushi portion of the buffet was typical of what you'd expect from a \$14 buffet. Now to the main dishes... To the dessert station... I sampled as much as my stomach would allow me to try... The main rib was a little overcooked, but it was somewhat edible with enough au jus. Brisket was juicy, but be sure to ask for a wet part. The skinny part of the bristles was overly dry. I love desserts, and I like pancakes. Some Harrah buffets are made to order pancakes that are made in front of the customer; it's not like that at Harrah's Lake Tahoe. The crepe station on Harrah's Lake Tahoe used pre-made pancakes which the chef then ended up in a frying pan. These pancakes weren't good. Pre-made pancakes, ready to cook. I consider the above buffet as a standard buffet. It's a typical buffet that focuses on quantity and relatively low prices, where most patrons dine at comp points. It's not a quality buffet worth more than \$20 outside of Las Vegas. In Las Vegas, I've seen casinos charge more than \$40 for a comparable buffet. For a \$14-\$20 buffet, it's a fair deal. It's relatively easy to achieve a comp at the Harrah buffet. Just ask flooperson. Most of the time, if you have a Total Rewards card, they'll say yes. The worst thing he's going to do is say no. Whether the casino buffet is good, bad or 'meh', I like to eat at casino buffets. I consider the casino buffet to be an essential part of the casino experience. Also, the vast majority of the time, I am able to eat at the casino buffet for free. I can't remember the last time I paid out of pocket for a casino buffet. Let me know what you think if you ate at Harrah's Buffet; or if you have any casino buffets that you would recommend that I try, let me know in the comments below. I'll bring reports and pictures if I go to your recommended buffet. Published in: Casino, Casino Food, Travel Foodnut has a thing for high end buffets.. The forest buffet at Lake Harrahs Tahoe has existed for decades and is practically an institution of Lake Tahoe. We remember coming here as kids and coming back to see how this buffet compares to the best, especially after a long day of bikes. The last visit was in the summer of 2018. On the 1st floor, this restaurant has incredible views. Tip: Try sitting next to the windows facing west or east. Former archduke and now sister property, Harvey is across the street, no longer has a buffet. Mont Bleu next door has a small un-buffet. The décor, Vibe – Forest Buffet on Lake Harrahs Tahoe upgraded the décor with modern-looking stations, beautiful wooden chairs and tables, and colorful accents and sayings. The restaurant was pretty full early Saturday night. They do not take reservations, so the lines can occur at peak times with all the tourists in the city. Forest Buffet Menu They have multiple items for dinner on Friday and Saturday nights. Primarily seafood such as oysters, fish, king crabs. The prices of children are for those 11 years and younger. Forest Buffet Price in 2018 is \$38.99 Adults, \$26.99 Children. You can add an 8-10oz Canadian lobster tail for \$18. Show your Total Rewards tab to get a discount. Forest Buffet Entrees Ribeye Grilled Steak with Butter Steak Sauce Roast Rib Au Jus Roast Turkey Rotisserie Chicken Chilled Shrimp with Cocktail Sauce Breaded Salmon with Mediterranean Salsa BBQ Pork Rib Mac and Cheese Corn on Cob Roasted Vegetables Parene Crab Legs Special Events Wednesday- Italian Thursday Night – Tex-Mex Night Friday- Night Saturday- Seafood and Steak Night Saturday and Sunday- Champagne brunch (up to 3 glasses of champagne). Signature Dishes – King crab legs, filet mignon, prime rib, lots of desserts. Full set of pictures Forest Buffet Food Picks: Good items included: Grilled Rib Eye Steak with bull butter sauce, corn on the cob, grilled Zucchini, steamed crab legs. The quality of the pizza and garlic sticks was surprisingly strong, as was the roast pork loin. The quality of the king crabs was decent with a lot of legs available. A little salty. The quality of the sushi roll was good, but selection was lacking. Baked potato bar and soup choice, and the quality are passable. Desserts are their strong suit with a large selection of tarts, puffs, cakes, pies, made to order pancakes, warm bread pudding, desserts and soft serve. Gluten-free cakes too! OK: Bacon wrapped filet mignon and prime rib is average. On another occasion, the turkey was transient. Salads were as average as most Asian dishes. The red bean dessert buns were surprisingly firm. The second time lotus wrapped rice is over steam. Pans: Ribs, fajitas, fried chicken, onion rings are forgettable. The ham was too salty. Service – Forest Buffet in harrahs lake Tahoe service is pretty much taking your order of drinks, filling drinks, and taking plates away. The service was adequate, but not as good as the best buffets. Value – Prices are typical for a buffet of this caliber, gone are the days of \$9.95 buffets. At this price, it's hard to win. Think of it as a good dessert buffet on holiday. Verdict – Forest Buffet on Lake Harrahs Tahoe is the main buffet in the city and has surpassed our low expectations. Buffet gets pretty low marks on Yelp. This is an average buffet with great views, a good choice, surpassed by vegas big boys like Wynn Buffet. Moonstar in Daly City costs about the same and has better quality food. Conrad in Hong Kong is one of our top buffets. Forest Buffet at Harrahs Lake Tahoe Overall rating: (Good 2)Come Back?
