Challenge every believer to walk in supernatural signs and wonders as a natural part of everyday life. ---John Arnott Anyone can walk in the miraculous --- you too! If you have ever wanted to live and walk in the supernatural power of God, here is your chance! It is truly possible for human people to walk in the divine, and Christ came to show us the way. It is by rediscovering our true identity in Him that we can begin to move in God's promises about the miraculous. Bill Johnson not only teaches the supernatural, but imparts it by changing the way we think. If you are not walking in the miraculous, live far below your birthright! By laying a carefully constructed biblical base for walking in the supernatural power of God, When Heaven Invades Earth provides all the necessary equipment to experience miracles every day.
