I won't hurry through this it will take a long time for me to study the Book of Romans. In the first 4 days, I studied on Romans 1:1-7, in the following 4 days, I studied on Romans 1:8-15. I have not found a number of errors especially Bible references that can be fixed. I have learned a lot from reading this comment and look forward to reading his other comment. ... More it took my husband and I nine months to complete this book and it's only the first eight chapters. I won't try to review it but I won't say except that it is the deepest, richest, detailed and penetrating Bible commentary study that we've come across. This is subjective, I know, and only gives my opinion. It's a lot of work and you'll only get through a few pages at a time if you want to absorb enough of every St. Arthur to say. These studies are based on speeches. It took my husband and Me nine months to complete this book and it's only the first eight chapters.
