William Golding - Lord of the FliesGenre: Author: At the dawn of the next World War, a plane crashes on an unexplored island, blocking a group of schoolchildren. At first, without adult supervision, their freedom is something to celebrate. So far from civilization that they can do whatever they want. Nothing. But as the order crumbles, as strange hermitage echoes in the night, as terror begins its reign, the hope of adventure seems as far from reality as the hope of being saved.1/1 LordoftheFlies.epub Click on the title to see the book in the CMRLS Library Catalog or alternative links to find the title for free in print, digital text or audio on the Internet. #1 Don Quixote by Miguel de Cervantes; and find Lewis Carroll's Alice in Wonderland in Gutenberg.org #2; and find in Gutenberg.org #3 The Adventures of Huckleberry Finn by Mark Twain; and find in Gutenberg.org #4 Mark Twain 's The Adventures of Tom Sawyer; and find at Gutenberg.org #5 Robert Louis Stevenson's Treasure Island; and find jane austen'Gutenberg.org #6 Pride and Prejudice in a place; and find Emily Brontë's Wuthering Heights in Gutenberg.org #7; and find Charlotte Brontë's Jane Eyre in Gutenberg.org #8; and find Herman Melville'Gutenberg.org #9 Moby Dick in Gutenberg.org #9; and find Nathaniel Hawthorne's Scarlet Letter in Gutenberg.org #10; and finds Jonathan Swift's Gulliver's Travels in Gutenberg.org #11 and finds John Bunyan's The Pilgrim's Progress at Gutenberg.org #12 and finds Charles Dickens' Gutenberg.org #13 A Christmas Carol and finds Charles' David Copperfield at Gutenberg.org #14 Dickens and find at Gutenberg.org #15 Charles Dickens' A Tale of Two Cities and find louisa May Alcott's Gutenberg.org #16 Little Women and find charles dickens' Gutenberg.org #17 Gutenberg.org #17 High Expectations and find at Gutenberg.org #18 The Hobbit, or, There and Back Again by J.R.R. Their website allows Canadian residents to create e-text and download books that are otherwise not in the public domain in other countries. It is not formally affiliated with the original Gutenberg Project, although both share the common goal of making public domain books available free of charge to the general public as e-books. Project Gutenberg Canada focuses mainly on works by Canadian authors or Canada, as well as works in French history. [1] Distributed Proofreaders Canada began contributing ebooks to Project Gutenberg Canada when it was launched on December 1, 2007. Canadian Public Domain See also: Copyright of Canada Canada, the copyright period for the works is 50 years after the year in which the author died. Therefore, if the book was published during the author's life and the author died 51 years ago or more, the book is in the Canadian public domain. Project Gutenberg Canada has been granted permission to redistribute books still copyrighted in some cases. Some authors whose works have entered the public domain in Canada and are therefore available on Project Gutenberg Canada are A. A.
