[Flag](#)[View History](#)Welcome to the Walkthrough for Middle-earth: Shadow of Mordor! This page contains links to all missions found in the game. Shadow of Mordor contains several types of missions - from the main story that includes several story arcs - to side missions about freeing slaves, and even forging your weapons with legends despite special challenges. Click on the search below to learn more about it's Main Mission to Middle-Earth: Shadow of Mordor revolves around ranger Talion and his quest for revenge against Sauron's minions. As you continue the story, different story arc missions will be available depending on the region you're in, and some missions will have to be completed before others can be unlocked. Playing through The Main Mission will also let you unlock certain abilities and new areas of Mordor. Certain main missions can be tried in any order, as the missions will often be divided into several story arcs. While story arc missions must be completed in a specific order, you can always jump from one story arc to another, as long as certain requirements have been met. In addition, there are special objectives that must be met during the main mission to continue. Although these goals are not technical missions, they may be difficult to try, and have been added to the search below. Click on the mission to learn more about it. Some slaves will bear boxing icons, and free these slaves by defeating the kidnappers they will open an Exile Mission nearby. This mission focuses on freeing other slaves through various methods, and will reward you with Mirian to buy abilities. The more Outcast Missions you perform, the higher chance slaves will help you in fighting Uruk, and Intelligence on Captain Uruk. You can unlock a number of these missions at a time, and you'll have to complete them before more can be opened. Completing missions will reward you with Mirian, along with additional bonuses if the bonus objectives are met. There are 12 Exhaust Rescue Missions in each area of the game, click on the mission below to learn more. You're going to die today! This unofficial guide to Middle Earth: Shadow of Mordor lists all the key elements of the game in detail and also offers a comprehensive guide to all its searches (main and side searches). This unofficial guide to Middle Earth: Shadow of Mordor lists all the key elements of the game in detail and also offers a comprehensive guide to all its searches (main and side searches). This should prove useful in finding all the attractions in the game developed by Monolith Productions, in dealing with the most demanding opponents and discovering all the best hidden treasures. The early chapters of this search are devoted to descriptions of the most important issues connected to close combat, long-distance combat, acting from the shadows and exploration of the gaming world. Next, you'll learn about Sauron's Army (Nemesis system), which is one of the unique elements of the game. In that chapter, you can find information and clues, among others, concerned with finding members of the army, learning about their weak and strong points, their development and promotion, their activities independent of player activity, as well as on the rewards you give for their elimination of invaluable runes). The next big chapter of this guide revolves around the protagonist. This describes in detail the development of Talion. There, you'll learn how to unlock abilities, attributes, and how to upgrade weapons (sword, bow, dagger). Arguably, the most space in this guide has been devoted to this guide for all the missions available in the game. This means, first of all, 20 storyline missions, although you can also find a path for a side mission here. It's connected to civilians and different types of weapons. The final part of this guide has been devoted to finding collectibles. It has been enriched with available location maps, which will be very helpful while discovering treasures. All have been rounded up with linked pages by completing additional challenges and unlocking achievements. Middle Earth: The Shadow of Mordor is a game action in the world of The Lord of the Rings. During the game, you control Talion, who to the living world, after his death, for reasons unknown to him. Now he's looking for revenge on his family's killer. Guide to Middle Earth: Shadow of Mordor:A handful of clues connected to battle, acting from shadows and virtual Middle Earth exploration; Description of game mechanics, connected to the Nemesis system, namely sauron soldiers (learning about its members, their activities in the game world, ways to eliminate it and the rewards connected to it);Information on the development of the main protagonist (abilities, attributes), as well as enhancements to the weapons used by him; Detailed guide to all the main missions of the game's storyline; Detailed guide to all side missions (helping civilians, missions connected by using weapons); A list of all the collections available in the game, including hi-res maps with their locations marked;Information on completing additional challenges; List of achievements and instructions on how to get them.
