Classroom website | Textbook Avancemos Uno © 1996-2015, Amazon.com, Inc. or its subsidiaries The lessons offer an unbiased, trustworthy pedagogy paired with technology that takes learning beyond the book. Immersion learning allows students to explore interesting locations throughout the Spanish-speaking world through HMH Field Trips, powered by Google® Expeditions. Using current genuine articles and videos from HMHfy Español and news and networking, students become invested in the language as they share their opinions online in a safe environment. Activities for Spanish open source content prepare students to consider the unwritten language they will meet in real life. Students learn to explore and understand online content in Spanish, while rehearsing actfl communication methods.
