MEASURE 2: It does not have a significant impact. SUMMARY: The Department of Labor's (DOL) Employment and Training Directorate, according to the Council on Environmental Quality Regulations implementing procedural provisions of the National Environmental Policy Act (NEPA), and the Department's own executive regulations, will ensure the department's final determination that the proposed disposal of a 91-acre site of excess property by the Atterbury Job Center Corps and that this project will have no significant adverse impact on the environment. DATES: These findings are 2020. ADDRESSES: Department of Labor, 200 Constitution Avenue NW, Room N-4460, Attn: Jose Velazquez, Washington, D.C. 20210. Start With More Info by Jose Velazquez; Phone (202) 693-3099 (this is not a toll-free number). End of Additional Info Preamble Start additional information additional information: A public notice of the availability of draft environmental assessment (EA), which found that the disposal of the 91-acre excess property at the Atterbury Job Corps Center would have no significant impact on the environment, was published in the Daily Journal in Johnson County, Indiana, February 3, 2020. The review period ended 15 days on 18 February 2019. No public comments were received. EA's findings have not been amended. The implementation of the proposed alternative action will not have a significant impact on the human environment. The definition is maintained by ea, agency and native american tribal Start Page 71946 consultation, inclusion and consideration of public review, and mitigation capability to reduce or avoid impacts. The intensity, duration and relationship of any adverse environmental effects that may occur do not exceed minor effects and are not significant. As described in EA, there are no very uncertain or contradictory effects, individual or unknown risks, significant cumulative effects or priority elements. There are no previous, planned or implemented measures that, together with the proposed alternative, have a significant impact on the human environment. Nepa requirements have been met and no environmental impact statement is required. Start Signature John Pallasch, Assistant Secretary of State for Employment and Training, Labor.
