Move through the grass with the nimbleness of an antelope as you try to return the volleyball your opponent throws at you. Random special abilities appear above the field and if you hit them with the ball you get a short advantage over your opponent. Be sure to balance casual volleys with powerful crashes to keep your opponent on your toes. Avoid the net and do not exceed the points. Play against the computer or against a friend on the same computer. First the full two sets will win the match and get to call themselves one of the Tennis Legends 2016.
