You can return most new, unopened products for a full refund within 30 days of delivery. We will also pay for return shipping costs if the return is the result of our fault (you have received an incorrect or incorrect item, etc.). You must receive a refund within four weeks of the return of the package, but in many cases you will receive a refund more quickly. This period includes the transit time during which we receive the return from the sender (5-10 business days), the time during which we process the return as soon as we receive it (3-5 business days), and the time during which your bank processes the refund request (5-10 business days). If you need to return an item, simply sign in to your account, view the order on the Full Orders link in the My Account menu, and click Return Item(s). We will notify you of the refund by email once we have received and processed the returned item. We can ship it to any address in the world. Note that some products are subject to restrictions and some products cannot be shipped to international destinations. When you place an order, we estimate the delivery and delivery dates for you based on the availability of the items and the shipping options you choose. Depending on the shipping provider you choose, estimates of the delivery date may appear on the shipping offers page. Please note that shipping prices for many items we sell are weight-based. The weight of such elements can be found on the detailed page. In order to reflect the guidelines of the shipping companies we use, all weights will be rounded to the next full pound.

\$199.00 The Bible exhibition commentary was modest at the beginning of 1972 in the publication Wiersbe's commentary 1 John entitled Be Real. With more than 4 million volumes printed and used worldwide, these timeless books have provided invaluable insights into the history, meaning, and context of almost every book in the Bible. Annotations with added content now include study questions at the end of each chapter for further reflection and application. Discover wiersbe's modest style and intretentive analysis of scripture as he arrives for a deeper appreciation of God's Word. This module contains volumes of all Old Testament books and all New Testament books.
