Betty crocker cake mix instructions

On this Directions page You will need: 1 1/4 cups of water, 1/3 cup vegetable oil, 3 egg whites*. Preheat the oven to 350 degrees F for shiny metal or glass pan or 325 degrees F for dark or non-stick pan. Bottom fat only 13 x9 pan or bottom and parts of all other pans (use baking paper cups for cupcakes). Beat the cake mix, water, oil and egg whites in large bowl at low speed 30 seconds, then on average speed 2 minutes, scraping the bowl occasionally (dough will be inflated). Pour into the pan. Bake according to the instructions on the package or until the toothpick inserted into the centre comes out clean. Cool for 10 minutes before removing from the pan. Cool completely before icing. High altitude (3500-6500 ft): Fat and flour; bake all flute pans at 325 degrees F. Make 36 cupcakes. * Whole egg recipe: use 3 whole eggs instead of 3 egg whites; add 1 minute to bake folds for all pans. After it is prepared, one serving provides 260 calories (100 calories from fat), 11 g of fat (2.5g saturated, 0g trans) and 65 mg of cholesterol. Description Betty Crocker® Super Wet® White Cake Mix.
