Papa's Freezeria To Go! 1.2.0 APK Download by Flipline Studios Your download will be available in 9 seconds Fixed issues with boot games on some devices android.permission.INTERNETandroid.permission.WRITE\_EXTERNAL\_STORAGE Microsoft News: le ultime notizie in reale progress  
21.0.390115602 Microsoft Corporation Papa's Freezeria To Go! - it is a cult continuation of a variety of famous culinary arcades. For players unfamiliar with the plot, let's say: your father owns a group of fast food restaurants, you also need to take on their roles a few responsibilities. You will play as a chef, waiter, manager, and not only. In the long-awaited next section, the creators were able to increase the number of products, as well as the ability to combine. Various juicy cutlets, burgers, wings, as well as hundreds of delicious sauces for every flavor. Your task is to serve guests in a timely manner, and you need to know where everything is, so that guests are satisfied. Rating: (3 votes, 3.67/5) Breve introduzione Permissions Build and serve sundaes along the way with a brand new version of Papa's Freezeria, with gameplay and controls redesigned for Android phones! You've just started a relaxing summer job at a seaside ice cream shop, but things get busy when all papa Louie's customers arrive on the island! You'll need to whip up delicious freezer sundaes by pouring ice cream, adding mixables and syrups, mixing sundaes, adding whipped cream and toppings, and don't forget cherries on top for a perfect summer treat! You'll need to multitasm between each area of the restaurant, with new controls designed to work right in the palm of your hand. Go to the Order Station to keep track of customers waiting in the lobby. Switch to Construction Station to combine ice cream and mixables for each sundae. Jump to the Batching Station to mix the sundaes until they are blended moderately. Hop to the top station to pour whipped cream and toppings before serving sundae to your fussy customers. Each Station is a realistic experience where you'll need to drag, swipe and touch your way through the sundae construction process. Keep your customers happy to earn points and level up. As your level increases, you'll unlock new surface layers for the store, and new customers will start visiting Freezeria! A well-made sundae also earns you tips, which you can spend on upgrading and decorating the lobby! \*\* NEW FOR PAPA'S FREEZERIA TO GO \*\* Papa's Freezeria To Go is redesigned and For smaller screens, so your fingers won't get in the way of action! CONTROL WITH YOU YOU - You will switch stations using buttons in the corners of the screen, perfect for your thumb. You can also use the buttons in the top corners to quickly switch Order Tickets, and you can view all Tickets ordered in zoom mode for easy reading. BUILD STATION - We've completely redesigned Build Station for smaller screens, so you can quickly and easily pour ice cream and mixables like a master! The Pour and Bonus Meter buttons are moved side by side and are moderately sized for your thumb, so you can watch the clock and tap at the right time without any fingers blocking your vision. When it's time to choose a mixable or syrupy one, the entire screen is filled with large buttons so you can easily touch the item correctly. MIX STATION - We've tweaked the Mixing Station upgrades to work better on small touchscreens. Once you buy the Blend Alarm upgrade, you can pull the big alarms and capture them into any blender. The boost button is also large and easy to press, and you can even use multi-touch to increase multiple blenders at once! TOP STATION - We've brought the Topping Bin carousel from Papa's Burgeria To Go!, allowing you to top sundaes in a whole new way! Swipe the conveyor belt of Topping Bins to select the item you want to use, then grab the sundae cup to start pouring the toppings

evenly over the sundae. You can also tap a button to switch to setable items such as cherries and cookies. And with full multi-touch support, you can keep a finger sliding the crates and a touch of the cup below, so you'll have the complete sundaes in no time! NEW INGREDIENTS - We've added a lot of new ingredients that can't be found in classic or HD versions of the game, including mixables, syrups, whipped cream flavors and other toppings that you'll unlock when playing the game. There are over 70 unique ingredients for you to explore! \*\* GAME FEATURES \*\* - Papa Louie Space Practice Ice Cream Shop - All new controls and gameplay designed for smaller screens - Multitasked between building, mixing and topped - Shopping for upgrades using your in-game tips - 85 customers to unlock with unique orders - Challenge Closers and Food Critics - 120 In-game achievements to earn ATTENTION TO TABLET USERS \*\* Papa's Freezer Is specially designed for smaller screens.
