

# Kinneret Academic College

Cross Border Agriculture newsletter

## Kinneret Academic College newsletter #1

Hello to all!

We are excited to launch our first newsletter for the academic year 2017-2018.

Every month we will share our adventures at Kinneret College: classes, practical lessons, tours and more!

*Soil analysis demonstration in class*

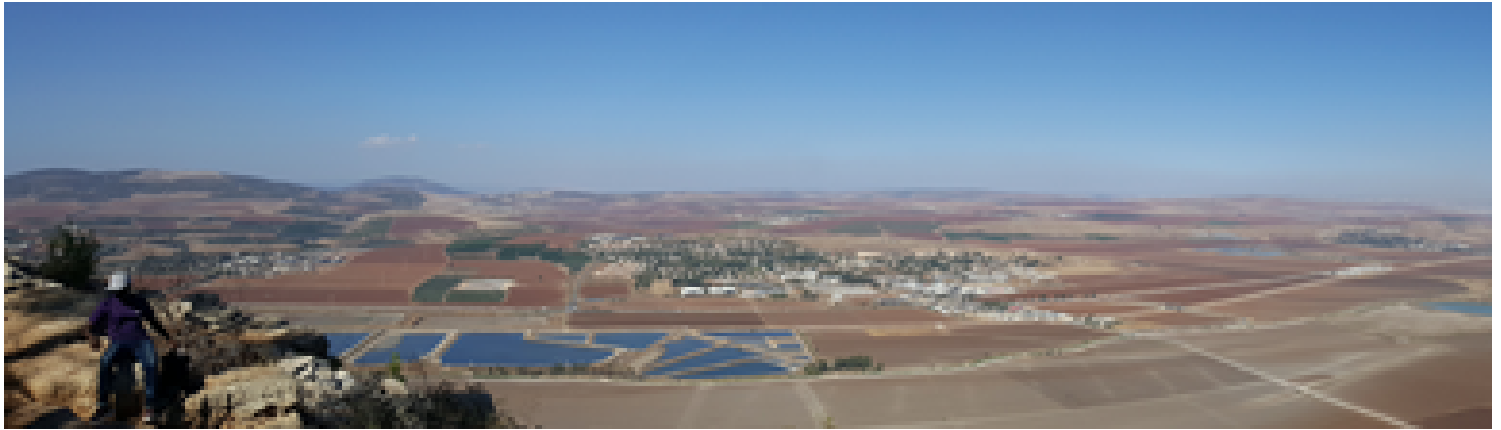

*studying in class*

For contact: [agrikinneret@gmail.com](mailto:agrikinneret@gmail.com)

*View from Mount Gilboa overlooking the valley*

## Practical class at Zemach R&D farm

*Meteorological station**Sowing winter crops**Connecting drip irrigation**Monitoring research - Mycoriza in Basil*

## Visiting an organic farm – Agricircus

The students enjoyed various group activities.

The organic farm combines agritourism and circus activities.

*Trying to cycle...**Group activitie**Organic field**Juggling time**Group activitie*

For contact: [agrikinneret@gmail.com](mailto:agrikinneret@gmail.com)

## What we did the last 2 months:

1. The students started studying at the college, getting used to Israel – New climate, different food and culture and many new adventures and excitements.

2.

The students had their second tour. We visited a citrus orchard, mango, avocado and banana plantations among others.

*Soil analysis lab demonstration*

*Mango*

*The Sea of Galilee*

**See you next month's newsletter**
